Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway  
counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off  
Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off  
beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway  
shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have  
been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway  
showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in  
previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in  
New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry  
includes the name of the host theater or theaters the opening date and number of performances the production s cast and  
creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the  
individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a  
list of published scripts and lists of musicals categorized by topic and composer Catalog of Copyright Entries, Fourth
