

THE CODE OF CRIMINAL PROCEDURE

Nigeria Criminal Procedure Code

**Cyprian Okechukwu Okonkwo, Michael
E. Naish**

Nigeria Criminal Procedure Code:

Criminal Procedure Code, CAP. 30 Northern Nigeria (Nigeria), 1965 *Criminal Procedure and Trials in Nigeria* Sonia Akinbiyi, 2002 *The Nigerian Penal System* Alan Milner, 1972 **Criminal Justice Responses to the Boko Haram Crisis in Nigeria** Victoria Ojo-Adewuyi, 2024-01-01

This book concentrates on the crisis perpetrated by the Boko Haram group in Nigeria which since 2009 has made a definitive impact on both the domestic and international criminal landscape. The volume centres on three core issues: first, an assessment of the criminal legal responses at the domestic level where the legal characterization of the conducts in question including an evaluation of the state of specific domestic prosecutions are assessed. Secondly, the book gauges the potential for international criminal justice while evaluating the Boko Haram situation at the International Criminal Court. This includes an assessment of the jurisdictional aspects, the admissibility and the interests of justice requirements in addition to the appraisal of conducts amounting to war crimes and crimes against humanity perpetrated. Finally, the book explores possible non-prosecutorial responses in the form of classic and non-classic transitional justice mechanisms that may be utilized as a response to the crisis in Nigeria. Furthermore, it draws instructive lessons from Nigeria's past misadventure with specific transitional justice mechanisms while exploring the realities of utilizing the restorative justice mechanisms available in Nigeria. The volume concludes by calling for a victim-centred approach in the discourse around the Boko Haram crisis. This book presents a definitive study of the history of the development of Boko Haram and the related domestic and international criminal legal issues. Researchers and anyone seeking to understand the Boko Haram crisis in relation to international criminal law, including those looking for a clear overview of the criminal conduct perpetrated by Boko Haram in Nigeria and a view of Nigeria's domestic legal regime, will benefit from the information on offer. Victoria Ojo-Adewuyi is a lawyer called to the Nigeria Bar in 2012. She obtained a Bachelor of Laws degree (LL.B) in 2011 from the Obafemi Awolowo University, Ile-Ife, Nigeria, and a Master of Laws Degree (LL.M) from the University of the Western Cape, Cape Town, South Africa, and Humboldt University, Berlin, under the South African German Centre for Transnational Criminal Justice in 2016, and completed her doctorate in International Criminal Law at the Humboldt University, Berlin, Germany, in 2022.

African Penal Systems Alan Milner, 2024-07-31

First published in 1969, *African Penal Systems* is the first book to explore the problems of African criminology. Sixteen distinguished contributors, sociologists, lawyers, and psychiatrists, each an authority on some aspect of African penal problems, have collaborated to produce it. Its first part gives a general survey of the penal systems of some fourteen African countries, variously English, French, or Portuguese, inclined or wholly autochthonous. Part two includes six specialist contributions on various detailed problems in the development and operation of the modern African systems. In his introduction, Alan Milner describes the sociological forces responsible for the increase of crime in Africa and examines the possibility of the growth of a peculiarly African approach to the solution of its penal problems. This is a must-read for scholars and researchers. African
