This is my rewrite of the big fight in #BatmanvSuperman. Gives Bats some more depth and Supes clear motivation.

The two titans lock eyes as Superman's boots hit gravel.

Batman breathes deeply and rights himself. Superman shows no signs of apprehension, and begins advancing toward his opponent. Within moments, the two colossi are standing inches apart.

                    SUPERMAN
                    (mocking)
        I admire your courage.

                    BATMAN
        I imagine bravery isn't something
        you're accustomed to.

                    SUPERMAN
        Challenging me isn't my idea of
        bravery.

                    BATMAN
        You don't know the meaning of the
        word. You've never tasted fear,
        you've never felt pain. That's
        about to change.

Lightning erupts in the darkened sky.

Beat.

Superman focuses on Batman's cowl, utilizing his X-Ray vision.

                    SUPERMAN
                    (surprised)
        Bruce Wayne? I'm actually
        impressed.

Batman remains silent.
