

## Algebra 2B - Activity 10.2

1. Based on the grid below, identify each function below as being a linear or a non-linear function.

2. Identify each of the functions below that are **linear**. If they are linear, write the equation of the function. If they are **non-linear**, write the equation of the function.

This is being plotted with the grid for the same function.

3. Graph each of the functions on the grid below. If they are linear, write the equation of the function. If they are non-linear, write the equation of the function.

Remember, the functions above that are **linear** are being plotted on the grid for the same function.
