MyLab and Mastering from Pearson improve results for students and educators. Used by over ten million students, they effectively engage learners at every stage. MyOMLab is a personalised online study and assessment system which tailors to the unique learning needs of each student. Offering unlimited opportunities for practice and providing relevant and timely feedback, it helps students master key concepts, experience more 'I Get It' moments, and ultimately achieve better results. I can honestly say it has revitalised and vastly improved my teaching, evaluations, and student success in my Operations Management courses. I also give pre-class quizzes each week. Students now read each chapter before class, and this makes a huge difference in participation. Most importantly, learning has been enhanced, and on average, grades have gone up.

Barry Render, Graduate School of Business, Rollins College

For students: Interactive Tutorial Exercises and Multimedia Learning Aids homework and practice questions are correlated to the textbook and they regenerate algorithmically to give students unlimited opportunity for practice and mastery. Study plan for Self-paced Learning study plan helps students monitor their own progress, letting them see at a glance exactly which topics they need to practice. For educators: Algorithmically Generated Values MyOMLab exercises are taken directly from your textbook's end-of-chapter exercises and enhanced with algorithmically generated values. Extra Help for Students contains a number of tutorial tools and learning aids that give students the help they need when they need it.
