## **Rascal Sterling North:**

*Rascal (Puffin Modern Classics)* Sterling North, 2004-09-23 Rascal is only a baby when young Sterling brings him home. He and the mischievous raccoon are best friends for a perfect year of adventure until the spring day when everything suddenly changes. A Newbery Honor Book [Sterling North and the Story of Rascal](#) Sheila Terman Cohen, 2015-08-31 This Badger Bio shares the story of author Sterling North, his adventures and misadventures as a young boy growing up in Edgerton, Wisconsin. Young readers will learn how North's early experience in Wisconsin influenced him in writing some of his best-loved children's books such as *Rascal* and *So Dear to My Heart*. The story gives readers a glimpse of early 20th-century customs and lifestyles in the rural Midwest. It also includes global issues of the time, including World War I and the Spanish flu pandemic, which greatly affected Sterling's boyhood. As examples, his admired older brother Hershel served overseas in WWI as Sterling was growing up, bringing world events to the North family's doorstep. His mother Gladys died when Sterling was only 7 years old because of the lack of medical advances in the early 1900s. And as a young man, Sterling was hit by polio, a common epidemic scourge that left many children with paralysis. Readers will learn of Sterling North's successes not only as a beloved author of children's books but as a columnist for the *Chicago Daily News*, an editor of *North Star* children's history books, and a well-respected critic of other children's literature. **Rascal [by] Sterling North**

Brenda Holt McGee, 1990 In *Rascal*, the author recalls his carefree life in a small midwestern town at the close of World War I and his adventures with his pet raccoon Rascal. [Edgerton](#) Mark Wilson Scarborough, 2014 Edgerton became a city in 1853. It was named after a modest railroad engineer, Benjamin Hyde Edgerton, who warned people to wait until after he was dead because he might do something in the meantime to discredit the name. In the 1880s, Edgerton was the Wisconsin birthplace of Pauline Pottery, still sought by antique collectors. For more than 100 years, Edgerton was the Midwest king of tobacco. The hometown of *Rascal*. A Memoir of a Better Era author Sterling North. Edgerton is now a city of festivals, including Tobacco Days, Chilimania, and the Edgerton Book and Film Festival. **Children's Book-a-Day Almanac** Anita Silvey, 2012-10-30 An almanac with information about famous events and celebrations for each day of the year and related children's book recommendations. *Famous Wisconsin Authors* James P. Roberts, 2002-04 From Aldo Leopold to Zona Gale, here are the profiles of 35 Famous Wisconsin Authors. Meet Native American authors as well as poets, novelists, and contemporary authors.

**Oklahoma Librarian**, 1965 *The Book Tree* Elizabeth McCallum, Jane Scott, 2008 Literary habits naturally give way to literary affections. Once upon a time, a carpenter entered a forest and happened upon a wolf wearing a feathered cap. Quick, whose side are you on? If you don't know, we suggest reading a hearty round of fairytales. Stories provide a roadmap for life. This is because stories are life. But oftentimes, it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else, some when else. For those beginning to read for the first time or those beginning to read again, *The Book Tree* will drop golden apples in your lap until you can climb high enough to pick for
