

Activities included on each page vary. Here are some examples:

The image displays a collection of Noah's Ark-themed activities. At the top center, the title "NOAH'S ARK" is written in large, outlined letters. To the left, a smiling sun is labeled "Coloring". Below it is a "Color a Bookmark" section featuring a small Noah's Ark and various animals (sheep, horse, pig, cow, chicken) with the text "Find and color all the animals". In the center, a large Noah's Ark is shown on water with rain falling, labeled "Search and Finds". To the right, a rainbow is labeled "Color By Numbers" with a legend: 1 Red, 2 Yellow, 3 Blue, 4 Orange, 5 Green, 6 Purple. Below the rainbow is a "Dot to Dot" activity of a sheep. At the bottom center is a circular "Mazes" activity with a Noah's Ark in the center, labeled "Find and color all the animals". To the right of the maze is a "Winding Mazes" activity with a path leading to a Noah's Ark, labeled "See the animals on the left before the boat".

**Writing Children's Books For Dummies** Lisa Rojany Buccieri, Peter Economy, 2011-03-03 Everyone loves a children's book. And many dream about writing one. But is it actually possible for an unpublished writer armed with a good story idea and a love of kids to write, sell, publish and promote a book? Yes, it is. Veteran children's book publishing executive and author Lisa Rojany Buccieri and author Peter Economy show you how in their incredibly useful 2005 first edition of *Writing Children's Books For Dummies*. Buccieri and Economy begin by explaining the basics of the children's book business from the nuts and bolts of the various formats and genres with helpful illustrations to aid you to the intricacies of the book publishing market, a list of recent award winning books and a first peek into the particular mind set that writing children's books requires. Hint: Throw out the adult rules and think like a kid. Then the authors dive into the actual writing process itself with tips on setting up a workspace, brainstorming great book ideas, researching the subject you decide on, even speaking with the sorts of kids you hope will eventually read the book. They show you how to create compelling characters and develop them in the manuscript, how to outline and write a plot arc of conflict, change and resolution, how to master the difficult art of writing dialogue and how to use active rather than passive language to keep your story moving along and interesting to young minds. Or if you're planning to write a creative nonfiction children's book on a topic such as science, nature or a historical figure, for example, the authors include a chapter on this too. Ready, set, go! It's time to sit down and write. Once you've finished your book, however, the process has only begun. Now you will refine, submit and hopefully sell your manuscript. Here again the authors of *Writing Children's Books For Dummies* come through for you. They deliver solid advice on hiring an illustrator or not, participating in workshops and conferences to learn the business and hone a story, finding an agent and finally submitting the manuscript to publishers and if you are successful, signing a contract. Along the way the authors also include tips on handling rejection, a quick primer on the various editors in publishing houses and how they work to make your book its best and making a plan to publicize the book including hiring a publicist if necessary. Like all *For Dummies* books, *Writing Children's Books For Dummies* highlights *The Part of Tens* which includes the Ten Best Ways to Promote Your Story and More Than Ten Great Sources for Storylines. And the ever helpful Cheat Sheet includes Tips for Editing your Children's Book Manuscript, Children's Book No No's, Twelve Commandments for Writing Younger Children's Books and Tips on Promotion. From setting down that first word on paper to doing a successful publicity tour, *Writing Children's Books For Dummies* gives you the confidence and the insiders know how to write and sell the story you've always wanted to write.
