*The Oxford Handbook of Down Syndrome and Development* Jacob A. Burack, Jamie Edgin, Leonard Abbeduto, 2023 The chapter traces some key historical developments in the field of Down syndrome After describing general issues of classification in intellectual disabilities we describe Langdon Down's identification of the syndrome in the 1860s the movement to name the syndrome after Down the identification of trisomy 21 as the syndrome's cause and the beginnings of sustained research attention to the syndrome We end with a glimpse into the future discussing issues of longer life spans more integrated lives and the roles of families organizations and self advocates Working together researchers practitioners and individuals and their families can all continue to advance the lives of persons with Down syndrome [Adulting Life Skills for Young Adults Beyond the Basics](#) Jaqui Meyer, 2023-05-16 Jaqui Meyer The ultimate adulting guide for every teen and young adult empower yourself with over 15 life skills today Let's face it adulting is hard While this might sound like a cliché it does ring with truth The moment your childhood years come to an end you face a transitional period of life the teenage years when you have to figure out where you fit And in all this you also need to struggle with the idea of living independently preparing yourself for the life ahead Figuring out your career managing your finances and making sense of your whole life very likely on your own this period of your life easily becomes a headache Think for a moment how would you rate your skills in managing time money and your emotions all on your own Or how about navigating through everyday problems and achieving a balanced life without family support According to a survey by the Bank of America many teens and young adults agree that adulthood truly begins when you can live independently find a job pay for your expenses and stop relying on your family for financial support Unfortunately throughout your school life you are never handed a map that can help you navigate the challenges of adult life with ease Without it no matter what the future might hold you are under equipped for life **Life Skills for Teens** Karen Harris, 2021-10 Congratulations you are a teenager The big question is now what The teenage years are an exciting yet every changing period of your life New challenges and tasks seem to pop up almost daily not to mention all the changes your body is going through As you get older and take on more responsibilities you have probably often wondered how to do many of the adult tasks your parents or older siblings seem to breeze through daily Everything from how to tell if the chicken in the fridge has gone bad to how to get rid of dandruff has likely crossed your mind and you're not alone The more you learn and the more new experiences you have the more questions you'll have too While a wonderful tool with a wealth of knowledge the internet can be overwhelming to navigate at times I mean which of the thirteen articles about budgeting and saving money is actually accurate And yes you can ask your parents or other trusted adults in your life to teach you specific skills but sometimes you just want to figure it out on your own That's where this guide comes into play Dive in and start learning life skills for teens Order yours now **How Do You Hug a Cactus? Reflective Parenting with Teenagers in Mind** Sheila Redfern, 2024-03-21 Have you ever wondered what's going on in your teenager's mind This

engaging book will give you the tools to understand just that to ultimately help you keep the close connection you both need during these tricky years Following on from her acclaimed book for parents of younger children Sheila Redfern brings the reflective parenting model to parents of teenagers Teenagers can be experienced as prickly and hard to get close to like a cactus but Dr Redfern shows us how this stage of your child's life can be more enjoyable and connected than you'd imagined Rather than focusing on their behaviours this book emphasises how we can teach teenagers to manage their feelings and relationships in safe ways It advocates theories underpinning reflective parenting mentalizing attachment and neuroscience as essential for building resilience and security in young people which is crucial through the storm and stress of adolescence Chapters are filled with everyday relatable scenarios and practical advice on pressing issues such as self harm social media and gaming risk and ASD There is also a chapter devoted to adoptive parents and foster carers This practical guide aims to help readers become more reflective and available as parents and understand what might be in their teenager's head It also serves as an essential resource for clinicians working with families

Congratulations you're a young adult! You're about to enter a new phase in your life, one full of opportunities and challenges. As you navigate this exciting new world of independence, it's important to develop the skills you need to succeed, from time management and problem solving to decision making and communication. Learning life skills is essential for every young adult, but many of these skills are not taught in school. They are learned outside the classroom through experience. You won't sit an exam on how to rent your first apartment or save smart, but these are essential life skills. This book is your practical guide. It covers everything you need to know before leaving home, from cooking a simple meal to landing your first job interview. So whether you're going off to college, getting your first job, or looking for ways to learn new skills, this book will serve as a valuable guide. So what are you waiting for? It's time to learn the skills you need to survive and thrive in the real world.

**Smart but Scattered--and Stalled** Richard Guare, Colin Guare, Peg Dawson, 2019-01-15 Whether you're a young adult who is stalled on the journey to independence or a concerned parent still sharing the family nest, this compassionate book is for you. Providing a fresh perspective on the causes of failure to launch, the expert authors present a 10-step plan that helps grown kids and parents work together to achieve liftoff. Learn why brain-based executive skills such as planning, organization, and time management are so important to success and what you can do to strengthen them. You get downloadable practical tools for figuring out what areas to target, building skills, identifying a desired career path, and making a customized action plan. Vivid stories of other families navigating the same challenges, including father and son. Richard and Colin Guare reveal what kind of parental support is productive and when to let go.

**Mental Health Concepts and Techniques for the Occupational Therapy Assistant** Mary Beth Early, 2009 Mental Health Concepts and Techniques for the Occupational Therapy Assistant, Fourth Edition, offers a solid foundation in occupational therapy processes to identify and address the needs of persons with mental health problems. This updated edition reflects important new developments in basic neuroscience, psychopharmacology, occupational therapy theory and evaluation, and treatment methods, and remains the only text of its kind written specifically for the occupational therapy assistant. The reader-friendly format is designed for the two-year college student. New content in this expanded text fulfills criteria set out in the American Occupational Therapy Association's Standards for an Accredited Educational Program for the Occupational Therapy Assistant, Special Fourth Edition. Features: New Chapter is dedicated to the Occupational Therapy Practice Framework. Enhanced Art Program provides more content for visual learners. Chapter Objectives help the reader focus on learning goals. Chapter Review Questions test comprehension, enabling the reader to advance in the text. Point of View boxes offer differing perspectives on key topics. Case Examples provide the bridge from theory to practice. Concepts Summary and Vocabulary Review boxes reinforce the chapter content. Additional features include ample tables and boxes which highlight key information, examples of group protocols and documentation, and a list of common acronyms. In short, this one text provides the information needed by occupational therapy assistants working with clients with mental health problems in a variety of clinical or community
