**British Widows of the First World War** Andrea Hetherington, 2018-04-30 Widows of the Great War is the first major account of the experience of women who had to cope with the death of their husbands during the conflict and then rebuild their lives It explores each stage of their bereavement from the shock of receiving the news that their husband had been killed through grief and mourning to the practical issues of compensation and a widow s pension The way in which the state and society treated the widows during this process is a vital

theme running through the book as it reveals in vivid detail how the bureaucracy of war helped and hindered them as they sought to come to terms with their loss Andrea Hetherington also describes often overlooked aspects of bereavement and she features many telling first hand accounts from the widows themselves which show how they saw their situation and how they reacted to it Her study gives us a fascinating insight into the way in which the armed services and the government regarded war widows during the early years of the twentieth century

**Reproductive Losses** Christa Craven,2019-05-30 Although there are far more opportunities for LGBTQ people to become parents than there were before the 1990s attention to the reproductive challenges LGBTQ families face has not kept pace Reproductive Losses considers LGBTQ people s experiences with miscarriage stillbirth failed adoptions infertility and sterility Drawing on Craven s training as a feminist anthropologist and her experiences as a queer parent who has experienced loss Reproductive Losses includes detailed stories drawn from over fifty interviews with LGBTQ people including those who carried pregnancies non gestational and adoptive parents and families from a broad range of racial ethnic socio economic and religious backgrounds to consider how they experience loss grief and mourning The book includes productive suggestions and personal narratives of resiliency commemorative strategies and communal support while also acknowledging the adversity many LGBTQ people face as they attempt to form families and the heteronormativity of support resources for those who have experienced reproductive loss This is essential reading for scholars and professionals interested in LGBTQ health and family and for individuals in LGBTQ communities who have experienced loss and those who support them See additional material on the companion website [www.lgbtqreproductiveloss.org](http://www.lgbtqreproductiveloss.org)

**Online Afterlives** Davide Sisto,2020-09-01 How digital technology from Facebook tributes to QR codes on headstones is changing our relationship to death Facebook is the biggest cemetery in the world with countless acres of cyberspace occupied by snapshots videos thoughts and memories of people who have shared their last status updates Modern society usually hides death from sight as if it were a character flaw and not an ineluctable fact But on Facebook and elsewhere on the internet we can t avoid death digital ghosts electronic traces of the dead appear at our click or touch On the Internet at least death has once again become a topic for public discourse In Online Afterlives Davide Sisto considers how digital technology is changing our relationship to death Sisto describes the various modes of digital survival after biological death including Facebook tributes chatbots programmed to speak in the voice of a dead person and QR codes on headstones and discusses their philosophical ramifications Sisto reports on such phenomena as the Tweet Hereafter a website that collects people s last tweets the intimacy of sending a WhatsApp message to someone who has died and digital cremation the deactivation of a dead person s account Because we can mingle with the dead online almost as we mingle with the living he warns we may find it difficult to distinguish communication at a distance from communication with the dead The digital afterlife has restored the communal dimension of death rescuing both mourners and the mourned from social isolation A society willing to engage with death and mortality Sisto argues is a more balanced and mature society *The Digital*
