

A top-down view of a person's hands working on architectural blueprints on a desk. The person is wearing a light-colored sweater. The desk is cluttered with various tools and items: a laptop is in the top left, a calculator is in the top right, a yellow hard hat is on the right side, and several pens and pencils are in the center. The person's left hand is holding a pen and drawing on the blueprint, while their right hand is resting on the paper. The text "Application of Mathematics In Civil Engineering" is overlaid in the center of the image.
