The Sciences' Media Connection -Public Communication and its Repercussions Simone Rödder, Martina Franzen, Peter Weingart, 2011-12-02 The Yearbook addresses the overriding question what are the effects of the opening up of science to the media Theoretical considerations and a host of empirical studies covering different configurations provide an in depth analysis of the sciences media connection and its repercussions on science itself They help to form a sound judgement on this recent development

Agile Documentation Andreas Rüping, 2005-01-14 Software documentation forms the basis for all communication relating to a software project To be truly effective and usable it should be based on what needs to be known Agile Documentation provides sound advice on how to produce lean and lightweight software documentation It will be welcomed by all project team members who want to cut out the fat from this time consuming task Guidance given in pattern form easily digested and cross referenced provides solutions to common problems Straightforward advice will help you to judge What details should be left in and what left out When communication face to face would be better than paper or online How to adapt the documentation process to the requirements of individual projects and build in change How to organise documents and make them easily accessible When to use diagrams rather than text How to choose the right tools and techniques How

documentation impacts the customer Better than offering pat answers or prescriptions this book will help you to understand the elements and processes that can be found repeatedly in good project documentation and which can be shaped and designed to address your individual circumstance The author uses real world examples and utilises agile principles to provide an accessible practical pattern based guide which shows how to produce necessary and high quality documentation

Handbook of Accessible Communication Christiane Maaß, Isabel Rink, 2024-07-02 Accessible communication comprises all measures employed to reduce communication barriers in various situations and fields of activity Disabilities illnesses different educational opportunities and or major life events can result in vastly different requirements in terms of how texts or messages must be prepared in order to meet the individual needs and access conditions of the recipients of accessible communication This handbook examines and critically reflects accessible communication in its interdisciplinary breadth Current findings proposed solutions and research desiderata are juxtaposed with reports from practitioners and users who provide insights into how they deal with accessible communication and highlight current and future requirements and problems

Stile extremistischer Tatschreiben Ulrike Preiss, 2024-05-06 Obwohl viele inkriminierte Texte schnell bestimmten Textsorten zugeordnet werden können beruht diese Zuordnung oftmals nicht auf linguistischen sondern auf strafrechtlich relevanten Faktoren Solche Klassifikationen sind für die forensische Praxis unverzichtbar verbergen allerdings häufig die linguistische Vielfalt innerhalb eines Texttyps Die vorliegende Arbeit untersucht die stilistische Variation in zwei konträr zueinanderstehenden Textklassen rechtsextremen Droh und Schmähebriefen sowie linksextremen Bekenner-schreiben und Positionspapieren Die über 150 authentischen Texte wurden mithilfe eines semi automatisierten Clusterverfahrens hinsichtlich ihrer stilistischen Charakteristika gruppiert Die resultierenden Stilausprägungen veranschaulichen einerseits die große Diversität linguistischer Merkmale innerhalb einer Textklasse andererseits zeigt sich dass einige Stilausprägungen gleichermaßen aus beiden Textklassen gespeist werden trotz deren gegensätzlichen Funktionen und politischen Ideen Die Ergebnisse dieser Studie bereichern nicht nur unser linguistisches Verständnis der beiden untersuchten Textklassen sondern zeigen auch für die Praxis der Autorenanalyse neue Perspektiven und Herangehensweisen auf

Studies in Specialized Discourse John Flowerdew, Maurizio Gotti, 2006 This book analyses the various features of specialized discourse in order to assess its degree of specificity and diversification as compared to general language Prior to any analysis of such traits the notion of specialized discourse and its distinctive properties are clarified also as compared to other features frequently occurring in specialized texts which cannot be considered distinctive The presence of such properties are accounted for not only in linguistic but also in pragmatic terms since the approach is interpretative rather than merely descriptive The complexity of this discourse calls for a multidimensional analysis covering both lexis and morpho syntax as well as textual patterning Some lexical aspects morphosyntactic features and textual genres are also examined from a diachronic perspective thus showing how various conventions concerning specialized discourse have developed over the last few
