Fairy Tale Retelling Kids Fan Favorite:

Writing, Retelling, and Critically Reading Children's and Young Adult Tales Bernard Montoneri, 2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children's and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children's literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences [Royalty in Twenty-First Century Children's and Young Adult Literature](#) Amie A. Doughty, 2023-11-15 Doughty examines contemporary children's and young adult YA literature featuring royal characters through a folkloric lens and shows different ways authors transform the traditional royal characters from folktales and Disney films She shows how princes and princesses are more progressive than their predecessors through expanding gender roles She also demonstrates how different types of abdication work to transform readers' expectations of royals and how they reach a happy ending different from traditional folktales and Disney Finally employing Rudine Sims Bishop's ideas about mirrors windows and sliding glass doors she explores how queer royals and royals of color offer new mirrors for children and young adults Each chapter presents a typology of royal books related to the topic and explains how they work to transform the folktale tradition Doughty concludes with a discussion of the transformational gaps remaining in royal children's and YA literature

The Ultimate Guide to Classroom Publishing Judy Green, Exciting ideas for teaching writing editing illustration and design This practical resource also features author studies a guide to author visits fun ways to celebrate books and more Cf Our choice 2000 [Helping Young Children Learn Language and Literacy: Birth through Kindergarten](#) Carol Vukelich, James Christie, Billie Jean Enz, 2024-06-03 Pre service and in service teachers get sound instructional strategies for teaching the language arts to young children from birth to kindergarten and enhancing their reading writing speaking and listening development in this unique book that places children at the center of all good language and literacy teaching This book is about teaching the language arts about facilitating young children's reading writing speaking and listening development In a very readable manner the book places children at the center of all good language and literacy teaching while focusing on four central themes that run throughout the book 1 The authors provide rich descriptions of two perspectives in children's language and early literacy learning emergent literacy and scientifically based reading research and equip early childhood teachers with the know how to use the instructional strategies supported by the research in both perspectives 2 The authors acknowledge and take into account the increasing diversity of our society and schools by providing numerous illustrations of how teachers can work effectively with diverse learners providing special features at the end of chapters that explain how to adapt instruction for English Language Learners and children with special needs and by providing information on the tools teachers can use to discover what each

child knows and can do in order to build on that child's prior knowledge 3 The authors stress that assessment cannot be separated from good teaching and they describe strategies that teachers can use to understand children's language and literacy knowledge in the context of specific learning and teaching events while also focusing on today's increasingly important accountability function of assessment and standardized testing instruments 4 The authors acknowledge the importance of the family in young children's language and literacy development and include descriptions of how early childhood teachers can connect with families and engage caregivers in their children's school or center
