Primers for Prudery Ronald G. Walters, 1973 In *Primers for Prudery* Ronald G Walters examines the historical and social context as well as the substance of sexual advice manuals in nineteenth century America Allowing the authors of these manuals to speak for themselves with generous excerpts by contemporary authorities on subjects ranging from the virtues of celibacy to the vices of masturbation Walters offers his readers a complex reading of the Victorian prudery referred to in the book's title Supplementing each of the excerpts with extensive commentary he places the advice manuals in the larger setting of gender and class issues Publisher's description *General Catalogue of the Books Except Fiction, French, and German, in the Public Library of Detroit, Mich* Detroit Public Library, 1904
