Comparative International Management Niels Noorderhaven, Carla Koen, Arndt Sorge, 2015-05-08

The use of comparisons to explain, analyze, and understand social and economic phenomena is recognized as a valuable social science tool. This textbook deals with the differences in management and organization between nations and their effects on multinational enterprises. In comparing management practice across the world, the authors cover themes such as national cultures, diversity, and globalization. Students are guided through the key business disciplines, providing a broad introduction to the field and including truly global coverage. With student and instructor-friendly resources such as chapter summaries, mini case scenarios, larger case studies, and power point slides, this book is core reading for students of international business and international management.
