Spirit(s) and Chinese Religiosity Jacob Chengwei Feng,2025-12-08 This open access book offers a fresh perspective on the history of Chinese Christianity retelling it through the lens of Pentecost Acts 2 to illuminate the rise of Pentecostal and charismatic Christianity in China from the 20th century onward Parting from traditional academic studies of Chinese Pentecostalism the author departs from beginning with the early 20th century introduction of the Pentecostal movement to China and instead examines the deeper historical and theological roots of Chinese Christianity In identifying this gap the author argues that China's rich religious and cultural context shaped by a pantheon of spirits and ghosts provided a fertile ground for the acceptance and flourishing of modern Pentecostal thought and practice Through this innovative analysis the
