*Tourism, Public Transport and Sustainable Mobility* C. Michael Hall, Diem-Trinh Le-Klähn, Yael Ram, 2017-02-03 This book offers a comprehensive global examination of the relationship between public transport and tourism as well as exploring other sustainable transport modes It offers a unique view by analysing tourism through the public transport lens and vice versa The volume provides an account of how the public transport experience can be improved for tourists so that its value can be maximised and a greater number of people can be encouraged to shift modes It features a wide range of case studies and examples showing how the tourism industry as well as regional economies communities and the environment benefit when public transport is widely used by tourists The book will be of interest to researchers and students in the fields of tourism and transport as well as destination marketing organisations and tourism transport and urban planners **Rural**

**Demand Responsive Transport** Tiziano Pavanini, 2025-06-13 This book analyzes the transport situation in so called low demand areas i e rural areas where traditional public transport is often poor and inefficient Though rural transport has largely been neglected in the literature in favor of more urbanized contexts it is often the only mobility option for the many citizens who still live in these areas This book aims to fill the gap in the literature by providing further insights into rural transport research in particular by presenting a valid solution Demand Responsive Transport DRT This widespread technology allows public transport authorities to make their journeys more efficient by maximizing the load factor of vehicles while helping citizens meet their mobility needs The book addresses key research questions concerning the strengths and weaknesses of deploying Demand Responsive Transport DRT in rural areas mayors perceptions regarding the transport characteristics of their regions and the evaluation of a DRT pilot project These aspects are explored through a case study of DRT implementation in two rural areas near the Ligurian cities of Chiavari and Genoa
