Socioemotional Development in the Toddler Years Celia A. Brownell, Claire B. Kopp, 2007-08-16 This volume explores the  
key developmental transitions that take place as 1 to 3 year olds leave infancy behind and begin to develop the social and  
emotional knowledge skills and regulatory abilities of early childhood Leading investigators examine the multiple interacting  
factors that lead to socioemotional competence in this pivotal period covering both typical and atypical development  
Presented is innovative research that has yielded compelling insights into toddlers relationships emotions play  
communication prosocial behavior self control autonomy and attempts to understand themselves and others The final chapter  
presents a systematic framework for socioemotional assessment      Infants, Children, and Adolescents Laura E.

Berk, 2022-07-26 A best selling chronologically organized child development text Laura E Berk's *Infants Children and  
Adolescents* takes an integrated approach to presenting development in the physical cognitive emotional and social domains  
emphasizing the complex interchanges between heredity and environment providing exceptional multicultural and cross  
cultural focus and offering research based practical applications that students can relate to their personal and professional  
lives
