A Parent's Guide to Autism Diagnosis Adele Devine, Sophia Mooncey, 2021-11-18 Autism diagnosis can be an overwhelming time for many families. This is an accessible, easy-to-navigate guide for parents, answering the questions they may have before, during, and after diagnosis. Written by a highly experienced author team, this book will support parents from the moment somebody mentions autism through the diagnosis process and beyond. It provides reliable advice on every stage, with guidance on what to do during the long wait for assessment and diagnosis. Working from a pro-neurodiversity perspective, it encourages parents to see beyond the diagnosis and to celebrate each child's unique personality and strengths. Combining information on medical diagnosis, educational needs, and more, the book shares case studies and direct quotes from families to help parents give their children the best start following an autism diagnosis and help them to achieve their full potential. There is also a bonus downloadable chapter with information from the key professionals involved in the diagnostic process, so you know who you can turn to for the support and help you
