[What Researchers Say on Sri Shirdi Sai Baba](#) Satya Pal

Ruhela,1994 This research monograph is a unique addition to the existing literature on Sri Shirdi Sai Baba who lived a

humble life and taught the basics of spirituality and morality to the devotees through his many miracles revelations of their past births simple yet penetrating teachings stories and thrilling parables **The Re-Enlightenment** Carole and David McEntee-Taylor,2011-11-01 Who are we Why are we here Is there a god The world we currently live in is characterised by its conflicting cultures with their diverse political social and religious views Add to this the growing climatic problems and the increasing gap between those who have and those who have not and this world seems a very unstable place The majority of us not only feel powerless to prevent this but also find it hard to accept some of the reasons we are given to explain this pain and suffering Religions spiritualism politics and science have all provided competing explanations but have not provided any real proof Furthermore the world as we currently know it is a result of those competing explanations We are all citizens of this world and as such have a vested interest in its future We all have questions about why we are here and we are all entitled to the answers There is something in this book for everybody from those who are not satisfied with the way the world is and think there has to be a better way to those who just wish to know why we are really here **Shirdi Sai Baba** Santosh Chowdhury,2023-03-07 Many devotees regularly ask questions to Shirdi Sai Baba ranging from their problems to sharing joy or asking for some solution Over many months the author through his research and in his own meditation found out that there are a lot many questions we have in mind but we have never asked him Like I will cite an example here Do affirmations charge Shirdi Sai Baba s name while we chant his name Answer Affirmations can help charge the name of Shirdi Sai Baba but the effectiveness of affirmations ultimately depends on the belief and dedication of the person reciting the name or even mantra If someone truly believes in the power of affirmations and trusts in the spiritual energy of Shirdi Sai Baba then affirmations can be a powerful way to connect with and invoke the divine presence of Baba However if someone is simply reciting affirmations as a superficial or mechanical practice without the underlying faith and devotion they may not experience the full potential of this practice Ultimately the key to charging Shirdi Sai Baba s name lies in the sincerity and depth of one s spiritual practice **The Educational Theory of Sri Sathya Sai Baba** Satya Pal Ruhela,1994 Contributions of Sathya Sai Baba b 1926 Hindu mystic to education contributed articles *Baba* Chandra Bhanu Satpathy,2009-05-01 The spread of the name and fame of Shri Sai Baba of Shirdi within the last two decades is a phenomenon by itself From 1999 onwards a number of websites were created in the name of Baba the world over In the year 2000 I visited Chicago to inaugurate the Sai Utsav in the month of November This event attracted a lot of devotees from all over the world including hundreds of families from the US Latin America Canada and UK and by His grace acted as the seed of the creation of an effective world forum of Sai devotees It was followed by similar events and conferences in Sydney Australia in 2001 Johannesburg and Nairobi in Africa in 2003 where an increasing number of devotees asked me questions regarding Sai Baba and his message This trend continued over the years through the internet till I decided to come up with a publication that would lend greater clarity about His message to His devotees as well as to those with a religious bent of mind This book is a

compilation of the questions he has received over the years and answers to them in a structured manner in a style and language which is easy to understand His messages circulated on various festivals between 2004 and 2009 through different magazines and websites are also included
