The Peacemaker:

The Peacemaker and Court of Arbitration ,1883 *The Peacemaker's Paradox* Priscilla Hayner,2018-01-12
Expanding from her path breaking work in *Unspeakable Truths* Priscilla Hayner focuses on a new challenge in *The Peacemaker's Paradox* the age old problem of negotiating peace after a war of atrocities Drawing on her first hand involvement in peace processes and interviews from the frontlines of peace talks the author recounts many heretofore untold stories of how justice has been negotiated with great difficulty and what this tells us for the future Those with the most power to stop a war are the least likely to submit to justice for their crimes but the demand for justice only grows louder She also asks how the intervention of an international tribunal such as the International Criminal Court changes how a war is fought and the possibility of brokering peace *The Peacemaker's Paradox* looks far and wide from Gaddafi's Libya to the FARC talks in Colombia to provide an unparalleled exploration of these thorniest of issues A combination of interview based reporting and political analysis *The Peacemaker's Paradox* brings clarity to a field fraught with both legal and practical difficulties

The Peacemaker Ken Sande,2004-01-01 Jesus said Blessed are the peacemakers But it often seems like conflict and disagreement are unavoidable Serious divisive conflict is everywhere within families in the church and out in the world And it can seem impossible to overcome its negative force in our lives In *The Peacemaker* Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease fire but also unity and harmony Sande takes readers beyond resolving conflicts to true life changing reconciliation with family members coworkers and fellow believers by outlining four basic principles Glorify God bring honor to God by revealing the reconciling love and power of Jesus Christ Get the log out of your eye face up to your own contributions to a conflict Gently restore graciously show others their faults encourage repentance and restore peace Go and be reconciled commit to restore damaged relationships and negotiate just agreements Biblically based *The Peacemaker* is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers confidence as they stand in the gap as peacemakers

Manual for the Peacemaker Jean Houston,Margaret Rubin,1995 A thrilling retelling by master storyteller Jean Houston of the legendary exploits of the founder of the Iroquois Confederacy known as the Peacemaker Under his leadership they created a peaceful democracy among five tribes of Native peoples in the northeastern woodlands This story has inspired American leaders from Benjamin Franklin to the present day occupants of the White House and is shown by Houston to be a potent guide to personal transformation and to the visioning of a peaceful world Jean draws from the experiential workshops she leads with the help of Margaret Peggy Rubin to guide readers through group or individual exercises that bring the story home
