

Read the short story. Then answer each question.

## The Shoemaker and the Elves

A shoemaker and his wife lived in a little house on the edge of the woods. They were very, very poor, and each day they grew poorer and poorer.

At last there was nothing left in the house but leather for one pair of shoes. "I will cut out this last pair of shoes," the shoemaker said to his wife. "Tomorrow I will sew them and peg them." So he cut out the leather and left it on his bench.

The next morning, he went into his shop to make the shoes. What did he see?

A pair of shoes all nicely made and ready to be sold. The stitches were so neat, and the shoes so well made that they were quickly sold.

With the money, the poor shoemaker bought leather for two pairs of shoes. Then he said to his wife, "I will cut out the leather for two pairs of shoes. Tomorrow I will sew them and peg them."
