for an audition and unsure of what you want to do *The Ultimate Scene and Monologue Sourcebook* is the book you've been waiting for. Unlike scene books that reprint 50 to 75 monologues excerpted from plays but don't include any background information, this annotated guide tells you what you really need to know about audition material from more than 300 contemporary plays. Here is how the book works. Suppose that you're looking for a dramatic male/female scene. When you scan Part One, Play Synopses and Analyses, you come across an entry for *The Middle of the Night* by Paddy Chayefsky. This is what you see: *The Middle of the Night* by Paddy Chayefsky, Samuel French. Synopsis: A kindly 53-year-old widower falls in love with a 23-year-old woman who is unhappily married to a musician. No one in their circle of acquaintances approves of this union, but their love is true. Analysis: Excellent human drama, frequently touching. Actors who play the widower need to have a good feel for New York City/Brooklyn speech patterns. This sensitivity isn't as essential for the part of the woman. All levels. Scenes/Monologues: Male Monologues 1, Female Scenes 1, Male/Female Scenes 2. In addition to basic information about the play, author, and publisher, the entry provides you with the story line, a critique of the play, and the number of audition-worthy monologues and scenes it contains. If the description of this particular play piques your interest, your next step is to turn to Part Six, Male/Female Scenes, for specifics about the selection. This is what you'll see there: *The Middle of the Night* by Paddy Chayefsky, Samuel French. Drama. Act II, Scene 2, pp. 40-44. *The Manufacturer*, 53. *The 23*. After an unsatisfactory attempt at lovemaking, *The Manufacturer* feels awful that he wasn't able to perform. *The 23* is very understanding. He then asks her to marry him. The actor playing *The Manufacturer* must have a good feel for regional New York speech patterns. This skill is less critical for the actress playing *The 23*. *The Manufacturer*: I'm sorry, Betty. End. *The 23*: *The Manufacturer*, Oh my sweet, I love you so much you don't know. If you change your mind tomorrow, I won't be angry with you. I won't lie to you, Betty. I'm afraid. This entry tells you what type of scene this is (dramatic), where you'll find the selection (act, scene, and page numbers), the length of the scene, the names and ages of the characters, the context in which the characters are speaking, and the first and last lines of the scene. If the material seems appropriate, all you have to do is get a copy of the play and get to work. Because *The Ultimate Scene and Monologue Sourcebook* enables you to make informed decisions about the suitability of more than 1,000 monologues and scenes, which you can find easily through the book's extensive cross-indexes, you'll gain a critical edge in the auditioning process.

A Dictionary of Thoughts, 1891 **The Book Buyer's Guide**, 1960 **Babyhood**, Leroy Milton Yale, 1887 [Victorian Gaslighting](#), Diana Bellonby, Nora Gilbert, Tara MacDonald, 2026-03-01. Reads gaslighting as a term/concept and form of abuse fundamentally tied to the literature and culture of the Victorian British Empire. *Victorian Gaslighting* is the first literary/cultural history of gaslighting, a term derived from the haunting neo-Victorian play *Gas Light* (1938) which tells the story of a sadistic husband who manipulates his wife into believing she's losing her mind. The collection traces the type of emotional abuse we find in the various stage and screen versions of the play back to its nineteenth-century British roots. Gaslighting emerged during an era when the idea of madness

was debated misused policed and medicalized like never before and when the interlocking institutions of patriarchy slavery and imperialism sought to convince women racialized others and colonized subjects that their own perceptions were not to be trusted More than anything as the volume s wide ranging analyses of both canonical and little known Victorian texts demonstrate gaslighting depends on the power to propagate a false narrative This study clarifies how gaslighting works then and now by taking a deep dive into the distinctly Victorian horror story at the heart of this persistent form of injustice
