Interior Freedom Jacques Philippe:

Interior Freedom Fr. Jacques Philippe, 2007-01-01 It is not always possible to control external events. There are so many things that are outside our control: the past, what others think of us, chronic health issues, other people's actions, the weather, unforeseen events. This list goes on and on. It is possible, though, to gain more control over our interior life. In his book *Interior Freedom*, Fr. Jacques Philippe shows us that we possess each of us inside of us a space of freedom that no one can take away. Despite the most unfavorable outward circumstances, we can claim our freedom because God is its source and its guarantee. Without this, we will always be in search for something else to fulfill us, and we will never understand true happiness. Fr. Philippe lays out a simple but important theme in *Interior Freedom*: We gain possession of our interior freedom in proportion to our growth in faith, hope, and love. He explains that the dynamism between these three theological virtues is the heart of our spiritual life, and he underscores the key role of the virtue of hope in our spiritual growth. Written in a simple and inviting style, *Interior Freedom* seeks to liberate the heart and mind to live the true freedom to which God calls each of us. Get the most out of this book with our *Interior Freedom Study Guide*.

Interior Freedom Jacques Philippe, 2017-03-29 *Interior Freedom* leads one to discover that even in the most unfavorable outward circumstances, we possess within ourselves a space of freedom that nobody can take away because God is its source and guarantee. Without this discovery, we will always be restricted in some way and will never taste true happiness. Author Jacques Philippe develops a simple but important theme: we gain possession of our interior freedom in exact proportion to our growth in faith, hope, and love. He explains that the dynamism between these three theological virtues is the heart of the spiritual life, and he underlines the key role of the virtue of hope in our inner growth. Written in a simple and inviting style, *Interior Freedom* seeks to liberate the heart and mind to live the true freedom to which God calls each one.

Interior Freedom Study Guide Marie Thibodeau, 2017-06-06 This study guide is intended to accompany the book *Interior Freedom* by Fr. Jacques Philippe. It will help you grow a stronger interior life, which means you will gain deliberate growth in the theological virtues of faith, hope, and love. More patience and understanding when dealing with others, and self-greater spiritual fortitude that makes you less prone to be rattled by external events. In his book *Interior Freedom*, Fr. Jacques Philippe shows us that we possess each of us inside of us a space of freedom that no one can take away. Despite the most unfavorable outward circumstances, we can claim our freedom because God is its source and its guarantee. Without this, we will always be in search for something else to fulfill us, and we will never understand true happiness. See the full description for *Interior Freedom*.

Made for Freedom Jutta Burggraf, 2012-01-01 In a fast paced world overloaded with technology and information it can be difficult to remember who we are as God's children We are called not only to do to build and to accomplish but to be and to love in freedom Embracing that deeper call requires courage mired as we are in our own weaknesses as well as the increasing manipulation of others Yet from the beginning God offers us a life full of love and happiness with Him At the core of this gift is our freedom and we must struggle to maintain it defend it and grow continually in it In *Made for Freedom* author Jutta Burggraf offers a penetrating meditation on freedom and its importance in the life of a Christian She explains that our ultimate happiness is a result of a humble yes to God's gift of our very selves accepting both the light and the darkness of who we are From there we can go a step further to accept God's love and invite Him and only Him to fill the gaps with love and healing With this humble but honest perspective we can choose to love ourselves as God loves us and in turn to love others
