## **The Beatles:**

**The Beatles** Jeremy Roberts,2011-01-01 Describes how the group began their success and influence the breakup of the group and their separate musical careers

**Meet the Beatles** Steven D. Stark,2009-10-13 Rob Sheffield the Rolling Stone columnist and bestselling author of Love Is a Mix Tape offers an entertaining unconventional look at the most popular band in history the Beatles exploring what they mean today and why they still matter so intensely to a generation that has never known a world without them Meet the Beatles is not another biography of the Beatles or a song by song analysis of the best of John and Paul It isn't another expos about how they broke up It isn't a history of their gigs or their gear It is a collection of essays telling the story of what this ubiquitous band means to a generation who grew up with the Beatles music on their parents stereos and their faces on T shirts What do the Beatles mean today Why are they more famous and beloved now than ever And why do they still matter so much to us nearly fifty years after they broke up As he did in his previous books Love is a Mix Tape Talking to Girls About Duran Duran and Turn Around Bright Eyes Sheffield focuses on the emotional connections we make to music This time he focuses on the biggest pop culture phenomenon of all time The Beatles In his singular voice he explores what the Beatles mean today to fans who have learned to love them on their own terms and not just for the sake of nostalgia Meet the Beatles tells the story of how four lads from Liverpool became the world's biggest pop group then broke up but then somehow just kept getting bigger At this point their music doesn't belong to the past it belongs to right now This book is a celebration of that music showing why the Beatles remain the world's favorite thing and how they invented the future we're all living in today

[The Beatles as Musicians : Revolver through the Anthology](#) Walter Everett Associate Professor of Music in Music Theory University of Michigan,1999-03-31 Given the phenomenal fame and commercial success that the Beatles knew for the entire course of their familiar career their music per se has received surprisingly little detailed attention Not all of their cultural influence can be traced to long hair and flashy clothing the Beatles had numerous fresh ideas about melody harmony counterpoint rhythm form colors and textures Or consider how much new ground was broken by their lyrics alone both the themes and imagery of the Beatles poetry are key parts of what made and still makes this group so important so popular and so imitated This book is a comprehensive chronological study of every aspect of the Fab Four's musical life including full examinations of composition performance practice recording and historical context during their transcendent late period 1966-1970 Rich authoritative interpretations are interwoven through a documentary study of many thousands of audio print and other sources

**The Beatles as Musicians** Walter Everett,2001 This volume is a comprehensive chronologically ordered study of every aspect of the musical life of the Beatles composition performance recording and reception histories from the group's beginnings in 1956 through to 1965

*The Beatles Anthology* The Beatles,2000-09 Includes primary source material in the form of photographs transcripts etc

*The Beatles and the 1960s* Kenneth L. Campbell,2021-09-09 This book uses The Beatles as a lens through which to explore the sweeping panoramic history of the social cultural and political transformations that occurred in the 1960s It draws on audience reception theory and untapped primary source material including student newspapers to understand how listeners would have interpreted The Beatles songs and albums Some key topics include race relations gender dynamics political and cultural upheavals the Vietnam War and the evolution of rock music and popular culture It also addresses the relevance of The Beatles ideals of revolutionary change to our present day

*The Beatles* Allan Kozinn,1995-10-19 Discussion of the Beatles music is expanded here by a consideration not only of the group s commercially

released disks but also of rare working tapes which illuminate the compositional process and reveal how some of their milestone recordings took shape in the studio

**The Beatles' Story on Capitol Records**, 2000 **Shout!** Philip Norman, 2005-02-15 A fresh look at the story of the Beatles rise to success and the people who helped them develop their music image and style

**The Songs of John Lennon** John Lennon, 2002 Berklee Press An essential guide for all songwriters and Beatles fans this book explores John Lennon's songwriting genius with a guided tour through 25 of his Beatles era hits Author John Stevens explains Lennon's intuitive talent from a technical point of view through the lens of songwriting's three basic elements melody harmony and lyric He shows how Lennon fashioned songs that were at once politically and socially relevant during the 60s yet remain ageless and timeless today Features in depth musical analysis of A Hard Day's Night Ticket to Ride Norwegian Wood Strawberry Fields Forever Come Together and more John Stevens is a songwriting professor at Berklee College of Music For more than 20 years he has taught The Music of John Lennon one of the most popular courses in the Berklee curriculum You've got the Beatles records and the John Lennon records now with this book you can have the Owner's Manual This will tell you how the songs are built and how they work Good stuff Marshall Crenshaw Singer Songwriter

**The Beatles Lyrics** Hunter Davies, 2014-10-07 A fascinating intimate glimpse into the creative process behind some of the greatest pop songs ever written Christian Science Monitor For the Beatles writing songs was a process that could happen anytime songs we all know by heart often began as a scribble on the back of an envelope or on hotel stationery These original documents have ended up scattered across the world at museums and universities and with collectors and friends Many have never been published before More than 100 songs and lyrics are reproduced in The Beatles Lyrics providing Hunter Davies a unique platform to tell the story of the music The intimacy of these reproductions there are sections crossed out and rewritten and words tossed into the final recordings that were never written down ensures that The Beatles Lyrics will be a treasure for musicians scholars and fans everywhere Rich with insider authenticity Gives us a glimpse into genius Wall Street Journal

**Revolution in the Head** Ian MacDonald, 2007 Assessment of the Beatles artistic achievement providing biographical musical and historical detail through a chronology of their songs **Beatleness** Candy Leonard, 2014-08-26 The Beatles arrived in the United States on February 7 1964 and immediately became a constant compelling presence in fans lives For the next six years the band presented a nonstop deluge of sounds words images and ideas transforming the childhood and adolescence of millions of baby boomers Beatleness explains how the band became a source of emotional intellectual aesthetic and spiritual nurturance in fans lives creating a relationship that was historically unique Looking at that relationship against the backdrop of the sexual revolution the Vietnam War political assassinations and other events of those tumultuous years the book critically examines the often heard assertion that the Beatles changed everything and shows how through the interplay between the group the fans and the culture that change came about A generational memoir and cultural history based on hundreds of hours of in depth interviews with first generation fans

Beatleness allows readers to experience or re experience what it was like to be a young person during those eventful and transformative years Its fresh approach offers many new insights into the entire Beatle phenomenon and explains why the group still means so much to so many [Riding So High](#) Joe Goodden,2017-10-09 Who gave the drugs to the Beatles I didn't invent those things I bought it from someone who got it from somebody We never invented the stuff John Lennon Riding So High charts the Beatles extraordinary odyssey from teenage drinking and pill popping to cannabis LSD the psychedelic Summer of Love and the darkness beyond Drugs were central to the Beatles story from the beginning The acid pills and powders helped form bonds provided escape from the chaos of Beatlemania and inspired colossal leaps in songwriting and recording But they also led to break ups breakdowns drug busts and prison The only full length study of the Beatles and drugs Riding So High tells of getting stoned kaleidoscope eyes excess loss and redemption with a far out cast including speeding Beatniks a rogue dentist a script happy aristocratic doctor corrupt police officers and Hollywood Vampires The deeper you go the higher you fly
