Theory Of Catering:

Ceserani and Kinton's the Theory of Catering David Foskett, Victor Ceserani, 2007 Ceserani and Kinton's *The Theory of Catering* is a core text for every hospitality and catering student delivering a comprehensive overview of the industry as a whole and presenting the theory necessary for competent professional practice. The content follows the food chain through its natural path from commodity and its science through delivery from the supplier storage preparation and production to final service to the waiting customer. First published in 1964 this latest 11th edition has been comprehensively revised to reflect changes in the industry including the new hygiene standards introduced in January 2006 and up to date information on the new licensing laws. The content continues to be divided into six parts covering in turn the hospitality industry as a whole including current influences and trends food commodities nutrition and science planning production and service organisation and business development and legislation. The companion CD ROM a new feature for this edition includes a Knowledge Quiz facility that enables students to test their knowledge of catering theory as they work through the book and their course and prepare for examinations and assessment while the Resource Centre makes available all the photos and digital artwork tables and charts from the book that students can drop into essays reports and presentations helping them to complete their

coursework and enhance the quality and presentation of what they produce Questions and Answers for The Theory of Catering, Eighth Edition Ronald Kinton, Victor Ceserani, David Foskett, 1995-12 **The Theory of Catering** David

Foskett, Ronald Kinton, Victor Ceserani, 2003 The tenth edition of this highly successful textbook has updated areas including a complete re working of the meat section together with new photographs from British Meat and the inclusion of a brand new section on promotion and media relations. The first part of the book presents an overview of the hospitality industry including current business trends as well as the latest information on products and menus. There is also extensive coverage of topics such as kitchen planning and design nutrition and hygiene marketing and pricing and supervisory skills. The colour section has been enlarged and features many new and modern images. Significant new developments such as contract catering and cruise ship catering are covered whilst the menu chapter has been brought right up to date **The Theory of Catering**
