Aftershock Investment Guide:

Aftershock's High Income Guide Andrew Packer,2012 Today s investment environment can be very difficult This guide can lead readers to investments that are often ignored simply because most people don t know about them **The Aftershock Investor** David Wiedemer,Robert A. Wiedemer,Cindy S. Spitzer,2012-08-28 Advice on protection and profits in the short and long term future from the experts who accurately predicted the financial crisis of 2008 and who now have more detailed information about what is yet to come From the authors who accurately predicted the domino fall of the conjoined real estate stock and private debt bubbles that led to the financial crisis of 2008 comes the definitive guide to protection and profit in 2012 and beyond Based on the authors unmatched track record of precision predictions in their three landmark books America s Bubble Economy Wiley 2006 Aftershock Wiley 2009 and Aftershock Second Edition Wiley 2011 their next book offers what readers have been clamoring for A detailed guide to how to put Aftershock in action with 14 new chapters on what investors need to know to survive and thrive in the next global money meltdown The Aftershock Investor shows readers Why recent actions by the U S Federal Reserve will eventually damage the dollar and hurt investors worldwide How future rising inflation and interest rates will harm your specific investments and what to do about it What s next for stocks bonds currencies commodities and other assets Detailed investment advice about real estate retirement annuities life insurance jobs and much more How to buy and own gold and silver before during and after the coming Aftershock How to profit rather than lose when so many asset bubbles collapse around the world Those who heeded the authors warnings last time were able to successfully ride out the financial crisis of 2008 and even cash in on the years that followed Now The Aftershock Investor offers readers a second chance at protection and profit in the next financial crisis ahead

Aftershock's High Income Guide Andrew Packer,2013-10-01 Today s investment environment can be daunting at best Trying to find solid returns without the nasty associated risks can be extremely difficult The High Income Guide will lead you to investments that are often ignored simply because most people don t know about them In fact most financial experts don t even know about them Knowing your investment options however is just a start Each and every day brings new challenges which is why it is so important to monitor changing market conditions Learn strategies that can protect and grow your wealth giving you an edge an almost unfair advantage that few investors have Let Andrew Packer and his team of experts put you on the path to building your dream retirement Aftershock David Wiedemer,Robert A. Wiedemer,Cindy S. Spitzer,2011-07-07 A practical guide to preparing for the next phase of the financial meltdown From the authors who were the first to predict Phase I of our current economic downturn in their landmark 2006 book America s Bubble Economy comes their insightful sequel discussing their predictions for the next phase of the Bubble Economy It may seem like the worst has come and gone but it hasn t With their proven track record of accurate predictions which most financial professionals and economists missed the authors explain how and why the next phase of the financial meltdown is about to hit Things are not

going back to how they were before Instead we are moving through uncharted territory with new challenges and opportunities that few people can anticipate Written in a straightforward and accessible style *Aftershock* shows readers how to seek safety and profits in these dynamic economic conditions Discusses how to protect assets businesses and jobs before and during the second wave of financial meltdown Provides clear and accurate advice on how to profit from the collapsing bubbles Offer focused guidance regarding real estate which will continue to be a pressing concern for many The authors first book was chosen by Kiplinger s as one of the 30 Best Business Books of 2006 and its accuracy has been hailed by Paul Farrell of Dow Jones MarketWatch when he said America s Bubble Economy s Predictions though ignored were accurate Don t miss out on these time tested author s proven advice for how to manage your money during the coming financial meltdown
