Chinas Future The Economist:

Russia, China and the Revisionist Assault on the Western Liberal International Order Gerlinde Groitl,2023-05-22 This book analyzes Russian and Chinese revisionism in the face of US and Western post Cold War liberal international order building and asks why both powers have turned revisionist in the late 2000s The study develops a neoclassical realist model of international order building and contestation and posits to view revisionism as a strategic choice States go revisionist if the status quo international order threatens their vital security needs broadly defined not only as territorial security but also political economic normative and ontological and if they have the means to challenge the undesirable status quo Russia and China were both unhappy with the post Cold War international order of American designs but had to opt for accommodation in the 1990s and early 2000s strategic accommodation in the Chinese case resentful accommodation in the Russian case before revisionism became even more of a necessity and a real policy option from the late 2000s onward constructive revisionism in the Chinese case destructive revisionism in the Russian case The author calls for a policy of neo containment to counter Moscow s and Beijing s efforts to game and erode the international order *The Economist* ,1915 The China Reader David Shambaugh,2016-03-29 The rise of China is the most important development in world affairs During the past three decades China dramatically modernized its economy and taken a position as one of the two major powers in the world For all of its newfound prowess China s rise has not been a smooth process The China Reader chronicles and catalogues these complexities **The economist** ,2009 Visual Culture Wars at the Borders of Contemporary China Paul Gladston,Beccy Kennedy-Schtyk,Ming Turner,2022-01-01 This edited collection brings together essays that share in a critical attention to visual culture as a means of representing contributing to and or intervening with discursive struggles and territorial conflicts currently taking place at and across the outward facing and internal borders of the People s Republic of China Elucidated by the essays collected here for the first time is a constellation of what might be described as visual culture wars comprising resistances on numerous fronts not only to the growing power and expansiveness of the Chinese state but also the residues of a once pervasively suppressive Western colonialism imperialism The present volume addresses visual culture related to struggles and conflicts at the borders of Hong Kong the South China Sea and Taiwan as well within the PRC with regard the so called Great Firewall of China and differences in discursive outlook between China and the West on the significances of art technology gender and sexuality In doing so it provides a vital index of twenty first century China s diversely conflicted status as a contemporary nation state and arguably nascent empire The Shrinking American Middle Class Joseph Dillon Davey,2012-09-14 The United States lost one third of its factory jobs in the past decade as jobs were outsourced offshore mostly to Asia Jobs that require a college degree are next to go China will award six times as many degrees this year as they did ten years ago and any job that can be digitized will be tradable Estimates of the number of vulnerable jobs range from a low 11 million to a staggering 56 million middle class jobs The median United States household

income has already dropped by seven percent since 2000 and without dramatic changes in the American workforce that trend will become a disaster for middle class Americans
