Essentials of Strategic Management 4e John Gamble, Arthur Thompson, Margaret Peteraf, 2014-09-16  
Essentials of Strategic Management Martyn R Pitt, Dimitrios Koufopoulos, 2012-05-02  
This exciting new textbook is built on the belief that strategic management principles are more straightforward than they seem. Unlike other textbooks, *Essentials of Strategic Management* does not overcomplicate the discussion with enigmatic layers of theory or irrelevant perspectives from other disciplines. Instead, you will find focused, clearly articulated coverage of the key topics of strategic management, encouraging critical reflection and deeper exploration on your own terms. Fully developed to cover the essentials of any strategic management course, authors Martyn R Pitt and Dimitrios Koufopoulos not only create understanding of the principles of strategy but shows you how to apply them constructively in the face of real world practicalities.

**Essentials of Strategic Management** Dustin Rodgers, 2021-11-16  
The branch of management that involves formulation and implementation of goals is known as strategic management. It focuses on evaluating the available resources and assessing the internal and external environments in which the company operates. It involves identifying a company's objective and forming plans and policies to achieve those objectives. It is also concerned with the allocation of resources to achieve the goals of the organization. This discipline includes two processes: These are formulation and implementation. It uses various frameworks and concepts such as experience curve, industry structure, and profitability. SWOT analysis, corporate strategy, and portfolio theory, and generic competitive strategies. Globalization, self-service, sustainability, and internet and information availability are some of the strategic themes on which this discipline is based. This book is a compilation of chapters that discuss the most vital concepts in the field of strategic management. It presents this complex subject in the most comprehensible and easy-to-understand language. For someone with an interest and eye for detail, this book covers the most significant topics related to this discipline.
