Modern Ethics in 77 Arguments Peter Catapano,Simon Critchley,2017-08-22 From the editors of the widely influential *The Stone Reader* comes the most thorough and engaging guide to modern ethical thought available Since 2010 *The Stone* an enormously popular column in the *New York Times* has interpreted and reinterpreted age old inquiries that speak to our contemporary condition Having done for modern ethics what *The Stone Reader* did for modern philosophy this portable volume features an assortment of essays culled from the archives of an online *Times* series that has attracted millions of readers through accessible examinations of longstanding topics like consciousness religious belief and morality Presenting the most thorough and accessible guide to modern ethical thought available *New York Times* editor Peter

Catapano and best selling philosopher Simon Critchley curate a fascinating culture of debate and deliberation that would have otherwise gone undiscovered From questions of gun control and drone warfare to the morals of vegetarianism and marriage this book emancipates ethics from the province of ivory tower classrooms to become a centerpiece of discussions for years to come

100 Conversations You Need to Have (Trilogy) Perry Giuseppe Rizopoulos,2019-10-01 The notebooks included in the three volume set 100 Conversations You Need to Have contain A Philosophy Guide A Stoic Philosophy Guide and A Chinese Philosophy Guide Each notebook offers an accessible and thought provoking collection of life s big questions and corresponding answers from some of history s greatest philosophers Readers are provided with the opportunity to answer each question turn the page and receive a short piece of advice from thinkers on topics that include Happiness Friendship Discipline Patience The meaning of life and death And other essential topics The list of philosophers that are featured in each notebook is very multicultural It includes both men and women and spans across time including among others Aristotle Seneca Simone de Beauvoir Lao Tzu Dr Martin Luther King Jr Alfarabi Jean Paul Sartre and Pema Chodron These notebooks duplicate the Socratic dialogue method and embody the idea of philosophy being a pathway to a more fulfilling life by creating 100 meaningful dialogues between the reader and a diverse array of interlocutors who will guide them on their journey to crafting a good life

Suffering and Bioethics Ronald Michael Green,Nathan J. Palpant,2014 Before curing was a possibility medicine was devoted to the relief of suffering Attention to the relief of suffering often takes a back seat in modern biomedicine This book seeks to place suffering at the center of biomedical attention examining suffering in its biological psychological clinical religious and ethical dimensions

The Oxford Handbook of Mystical Theology Edward Howells,Mark A. McIntosh,2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook

Tolerance and the Ethical Life Andrew Fiala,2005-05-12 In a fresh and exciting way this new book shows

how tolerance connects with the practice of philosophy Andrew Fiala examines the virtue of tolerance as it appears in several historical contexts Socratic philosophy Stoic philosophy Pragmatism and Existentialism The lesson derived is that tolerance is a virtue for what Fiala calls tragic communities Such communities are developed when we come together across our differences but they lack the robust sense of connection that we often seek with others the complete sort of happiness that is offered by a more utopian ideal of community But rather than viewing this conclusion as a failure Fiala maintains that tragic communities are the best communities possible for human beings who are aware of their own individuality and finitude Indeed they are typical of the sorts of communities created by philosophers engaged in dialogue with others Tolerance and the Ethical Life will strongly appeal to specialists and upper level students in Ethics and Political Philosophy both for its unique historical exploration of tolerance and its application of those results to present day moral theory The Annunciation Larry Hart,2017-03-10 The Annunciation is an in depth look at how the Christian message can be communicated in a way that is comprehensible to the postmodern world and yet remain within the classical faith Ethics Gordon Daniel Marino,2010 Nonviolent Perspectives Andrew Fitz-Gibbon,2025-02-04 This book is a compilation of essays addressing the central issue of humanity interpersonal violence and more importantly nonviolence as its antidote The essays trace the author s journey from early pacifist convictions influenced by personal experiences with violence to a nuanced understanding of nonviolence rooted in ethics love spirituality and critical theory Spanning over two decades the writings explore various dimensions of nonviolence from philosophical arguments and historical analysis to practical applications in parenting political resistance and care ethics The book brings together previously published works that have been instrumental in shaping the author s thinking making them accessible for scholars students and anyone interested in nonviolence With reflections on the works of Murdoch MacIntyre Gandhi and others it offers a comprehensive examination of nonviolence as both a personal practice and a social imperative *The Lincoln Library of Essential Information* ,1924
