Sparrows a farthing anthology 50 AiyeKo ooto let s pick straws Farthing is 4 parts of an old penny Which buys little except laborer s day wage in imperial dark days when monarchs took the score It s the least possible amount to pay for anyone thing or thought Hence colloquial expression I don t give a farthing blah The poems are letters to departed lovers Obviously laced in disparaging thoughts towards who left one behind to love and lovers Though while accepting the loss and admitting some blame remembering what they had couldn t be excluded If you ve neither experienced conflict with a lover or had one snatched from you by death then count yourself lucky For the rest of us lived in the straits Often unsure which lakes to fish We felt the worth of a farthing like ewes taken by wolves hanging on the dials in hallowing midday silence while we lived on the fools ship of love I sent out my bird to a field of olives green it took flight soaring high but never returns
