Keys To The Deeper Life Aw Tozer:

Keys to the Deeper Life A.W. Tozer, 2019 Wherever Christians meet these days one word is sure to be heard constantly repeated that word is revival In sermon song and prayer we are forever reminding the Lord and each other that what we must have to solve all our spiritual problems is a mighty old time revival The religious press too has largely gone over to the proposition that revival is the one great need of the hour and anyone who is capable of preparing a brief for revival is sure to find many editors who will publish it So strongly is the breeze blowing for revival that scarcely anyone appears to have the discernment or the courage to turn around and lean into the wind even though the truth may easily lie in that direction

W. Tozer: The Pursuit of God, Keys to the Deeper Life, How to be Filled with the Holy Spirit](#), A. W. Tozer, 2021-12-09 In the four works collected here A W Tozer exhorts the faithful to develop a deeper understanding of God and a closer relationship with Him Tozer shows that a powerful spiritual life is

available to all who seek it **Deep Preaching** J. Kent Edwards, 2009-08-01 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming A. B. Simpson and the Pentecostal Movement Charles Nienkirchen, 2010-05-01 Based on impressive research the author has offered the spiritual heirs of A B Simpson as well as the larger church world an accurate interpretation of Simpson s spiritual pilgrimage The information about Simpson s belief in speaking in tongues and the ministries of those who remained or left the Alliance over the issue provides valuable insights into the close relationship between the organization and emerging Pentecostal movement Gary B McGee Professor of Church History Assemblies of God Theological Seminary It is good news indeed that Charles Nienkirchen s A B Simpson and the Pentecostal Movement is being republished This is a very important and well written work which sheds light not only on A B Simpson s quest for the tongues attested baptism in the Holy Spirit but on the milieu surrounding the early spread of Pentecostalism in America and especially in the Christian and Missionary Alliance This is a historical treasure Vinson Synan Dean Emeritus Regent University School of Divinity Simpson has long deserved an in depth study A pivotal turn of the century figure who never found full acceptance in any wing of American evangelicalism this prolific Canadian nonetheless profoundly influenced popular evangelicalism and Anglo American Pentecostalism Nienkirchen makes careful use of long unused primary sources to illuminate Simpson s relationship to early Pentecostalism The result is a suggestive work that offers perceptive insights into early Pentecostalism and the context from which it emerged Edith L Blumhofer Project Director Institute for the Study of American Evangelicalism Wheaton Nienkirchen provides a splendid study of the relationship of A B Simpson to Pentecostalism This book demonstrates wide knowledge of primary materials and great care in documentation with about one third of the text devoted to footnote material Nienkirchen clearly delineates the major elements in Simpson s religious thought and gives attention to the most significant ways in which his thought changed His major interest in this book focuses on the ways in which Simpson influenced the formation of early Pentecostalism Pentecostals accept some elements of Simpson s teaching and rejected or modified others but Nienkirchen argues persuasively the case for Simpson s importance in understanding Pentecostalism moreover he clearly illustrates specific ways both direct and indirect in which that influence was felt in the complex story of

early holiness pentecostal relationships William Pitts Professor of Church History Baylor University Charles Nienkirchen has supplied those interested in the history and theology of American Evangelicalism the Christian and Missionary Alliance or the Pentecostal movement with an invaluable reference tool and an interpretive lens through which to understand them This must read has shown its worth by remaining as relevant informative and provocative as when it first went to press Bernie A Van De Walle Associate Professor of Historical and Systematic Theology Ambrose University College and Seminary Calgary AB In A B Simpson and the Pentecostal Movement Charles Nienkirchen has combined prodigious research with mastery of historical and theological sources to produce a superb study of Simpson s relationship with early pentecostalism This is a most important and useful work Randall Balmer Barnard College Columbia University [The Kingdom Among Us](#) Michael Stewart Robb,2022-09-27 Despite perennial attraction to his teachings Dallas Willard s theology has not been easy for his readers and colleagues to figure out or piece together His approach to theology was an odd one His five bestselling books on the Christian life were a side job to his quiet career as a professional philosopher To what if not to his profession can one attribute the lasting attraction of his books On one hand it is Willard s rhetorical skill and his cross disciplinary knowledge philosophical psychological biblical regarding the central issues of human life But more importantly his books all proclaim a gospel which in the late twentieth and early twenty first centuries can be especially hard to hear Willard spoke of this gospel in biblical terms the gospel of the kingdom a gospel of spiritual living The Kingdom Among Us presents a comprehensive account of that gospel But it is much more than mere interpretation By examining both Willard s writings and hundreds of hours of audio recordings Michael Stewart Robb both recovers and expands Willard s theological vision The book will help long time readers of Willard s books make sense of his position in professional theology and philosophy Robb s reconstruction of a gospel of spiritual living will help scholars theologians and philosophers make sense of Willard s side job But all readers will encounter in these pages the most complete picture available of one of the giants of modern Christian spirituality
