Kabbalah: Key to Your Inner Power Elizabeth Clare Prophet, Patricia R. Spadaro, Murray L. Steinman, 2020-10-19 A masterpiece The rich tradition of the Kabbalah comes to life in a language that is accessible even to those unfamiliar with this ancient and classic tradition Caroline Myss Ph D New York Times bestselling author of Anatomy of the Spirit Mystics are adventurers of the spirit who dare to push beyond the boundaries of orthodox tradition to pursue a common goal the direct experience of God Kabbalah Key to Your Inner Power explores the once secret Jewish mystical tradition known as Kabbalah With intriguing new perspectives it shows how we can use Kabbalah s extraordinary revelations about the creation of the universe our relationship to God and our purpose in life to unlock our own spiritual power It brings to life the path of the Jewish mystics their joys and ecstasies their sacred visions and their practical techniques for experiencing the sacred in everyday life Includes 36 illustrations 19 charts and diagrams pronunciation guide **The Essence of Kabbalah** Brian L. Lancaster, 2005-09-10 There can be no perfecting above without the perfecting influence of humans when they are righteous and act from love Zohar 2 155a The Essence of Kabbalah explains the mysticism of the Torah and the other books in the Hebrew Bible and presents an overview of the historical trends that have shaped Kabbalah as it is known today It examines the interpretative methods that are viewed as unlocking the secrets of the Torah those teachings that point to the inner fabric of creation Acclaimed author Brian Lancaster explores key extracts from the seminal works of Kabbalah the Sefer Yetsirah the Bahir and the Zohar and presents the major teachings of influential kabbalists He places Kabbalah in the context of Judaism as a whole and illustrates the ways in which Judiasm s teachings prayers and rituals express a concealed inner tradition Further he shows how contemporary scholarship and science are enabling a creative dialogue with the ancient teachings preserved within Kabbalah leading to a twenty first century renaissance in the importance of mysticism for providing a much needed and profound sense of connectedness and purpose in our world *Kabbalah* Byron L. Sherwin, 2006 Kabbalah An Introduction to Jewish Mysticism is a clear accessible primer and introduction to the major teachings of the Jewish mystics to various dominant forms of Jewish mystical experiences as well as to many of the significant texts that constitute classical Jewish mystical literature and to their authors Rather than provide an historical approach this introduction to Jewish mysticism delineates five models of Jewish mystical theology and experience Normal Mysticism Mystical Intimacy Addressing God s Needs Drawing Down Divine Grace and Prophetic Kabbalah Sherwin not only presents primary texts in translation but also offers an explanation of each selection and provides a bibliography for further study [The Universal Meaning of the Kabbalah](#) Leo Schaya, 1971 Third Edition God the Universe and Man their essential unity and fundamental attributes as seen through the eyes of Jewish esoteric tradition is the subject of Leo Schaya s masterly study of the Kabbalah Unlike most works on the subject which focus on the history of the Kabbalah or the Kabbalah as literature not to mention countless new age rants this penetrating text expounds the universal teachings of the Kabbalah on the

relationships of all things to their supreme archetypes the ten Sephiroth or principal aspects of God In addition to the Old Testament and the Talmud Schaya draws on one of the classical sources of Jewish mysticism the Zohar or Book of Splendor from which he extracts an all embracing synthesis of the numberless degrees of All Reality to which correspond the multiple states of human being from earthly individuality to essential identity with the Absolute This work acclaimed by reviewers and scholars alike fittingly concludes with an illuminating chapter on the Name of God which saves all those who invoke him in truth Students of comparative religion will find an abundance of information here for striking parallels both with the Hindu cosmological doctrines and the metaphysical insights of the Vedantic sages are among the surprises interlaced in this account of Judaic esoteric wisdom In this Schaya carries on the extraordinary work of three great 20th century metaphysicians of the philosophia perennis Ren Guenon Frithjof Schuon and Ananda K Coomaraswamy This book will be extremely useful to anyone who is in the words of Maimonides perplexed by the Bible in the sense of having exercised his best thinking about it and who now stands broken before its apparent contradictions and its overwhelming emotional authority The Kabbalah or esotericism is the communication to man of what Schaya calls principal ideas ideas that are to thought and actions what the sun is to its rays Standing between metaphysical ideas and the symbolic language of the Zohar and the Old Testament he allows each side to penetrate the other Jacob Needleman author of Lost Christianity A Sense of the Cosmos etc This book fills an urgent need To rediscover the deepest meaning of the Old Testament is something that could have had a most tonic and enlightening effect on the whole of Christian thought today no clearer interpreters are to be found than the masters of the Kabbalah Marco Pallis author of The Way and the Mountain A Buddhist Spectrum etc Leo Schaya was born in Switzerland in 1916 He received a traditional Jewish upbringing but from an early age devoted himself to the study of the great metaphysical doctrines of East and West particularly those of Neoplatonism Sufism and the Advaita Vedanta His works include in addition to The Universal Meaning of the Kabbalah first published in French in 1958 as L Homme et l Absolu selon la Kabbale La Doctrine Soufrique de l Unit La creation en Dieu la lumire du judasme du christianisme et l islam and Naissance l esprit as well as numerous articles
