The Via Dolorosa:

On the Via Dolorosa with Christ Paul Ciholas, 2004 After two millennia the death and resurrection of Jesus Christ remain the foundation of Christian faith No matter how often the story of Easter is told and how much it is explained we are awed by the inscrutability of God's incarnation in Christ and find ourselves caught up in an event that transcends our understanding and surrounds us in a sea of divine love that belongs to the realm of mystery These forty meditations invite the reader to reflect on Christ's walk on the Via Dolorosa the path of suffering that a bruised and exhausted Jesus had to trudge from the place of his condemnation to the site of his crucifixion It is a sobering journey It is also a holy path toward God With the author the reader can walk from sacred place to sacred place and feel the transforming power of the presence of Christ In this pilgrimage we encounter a tormented Judas a bewildered Peter a transformed Thomas and two startled disciples on the road to Emmaus The passion story leads believers and readers through the tragic disintegration of moral and spiritual claims to a fresh reaffirmation of the promise of transfiguration and resurrection
