The Wilding Of America Sparknotes:

The Wilding of America Charles Derber, 2006-05-17 The American dream champions individualism But at what price In this book the author chronicles the latest incidents of wilding Extreme acts of self interested violence and greed that seem to signal an eroding of the moral landscape of American society The author argues that ever increasing individualism breeds an antisocial mentality with dangerous economic and social consequences yet he offers a communitarian alternative that is as inspiring as it is instructive Recent wilding events such as the social aftermath of Hurricane Katrina the war in Iraq and recent government scandals are highlighted in this book Back cover
