They Smell Like Sheep, Volume 2 Dr. Lynn Anderson,2008-06-30

Above all else guard your heart for it is the wellspring of life Proverbs 4 23 They Smell like Sheep Volume 2 Leading with the Heart of a Shepherd is about more than gimmicks and techniques of leadership It speaks to the character and heart of the leader After all heart makes the difference in an effective Sunday school teacher youth minister elder small group leader parent grandparent or Christian school teacher Spiritual sheep stray sheep and searching sheep aren t nearly as concerned about the knowledge and skill of the shepherd as they are about his heart When finding their way at weddings at funerals during family crises and in the hospital sheep go to a shepherd in whom they discern God s own heart like King David of old Jesus said sheep would know their shepherd s voice and be drawn to it It is the heart behind the voice that soothes and comforts God s people How do you measure the influence of a godly shepherd Without doubt it s the heart of the shepherd that most powerfully shapes lives and souls in our flocks If you want your own heart shaped and molded into the likeness of Christ this book is an excellent place to begin Be shepherds of God s flock under your care as God wants you to be Heeding the call to be a leader is an awesome responsibility Whether you have been called to serve as a minister or you re teaching an adult Bible study group or you re a teen leading the youth group in song most assuredly from time to time you question your abilities and look for support and example Author Lynn Anderson addresses the starting and ending place of true leadership among God s people the heart of a shepherd He presents Jesus the Head Shepherd as our only reliable model of godly leadership he guides us through the Scriptures and gives us practical exercises to strengthen our hearts as we do the difficult yet rewarding work of shepherding people of God with love and grace Enter the book s pages with the confidence that you are being led by someone who has the heart of a shepherd and who sees himself first as a smelly sheep dearly loved and led by the Good Shepherd And when the Chief Shepherd appears you will receive the crown of glory 1 Peter 5 4

They Smell Like Sheep: Spiritual leadership for the 21st century Lynn Anderson,1997 Shepherding like is Jesus is the kind of leadership that will guide the church through the 21st century Good Shepherds Smell like Sheep Wade Runge,2020-09-01 Today s leaders are facing unprecedented challenges that are causing them to quit burnout compromise and even commit suicide This current generation of leaders are functioning in an increasingly complex and rapidly evolving environment Dr Wade Runge understands the unique stress leaders are experiencing in a culture that is calling for leaders to perform at their best at every moment Leaders are expected to be available and accessible at any given moment But the real question who is helping them navigate the choppy waters they are experiencing His experience and acumen concerning leadership has been refined out of the need to be able to adapt to adverse conditions We are living in uncertain times that calls for leaders to rise in the midst of chaos Dr Runge s background from combat in the military to planting churches and helping pastors in crisis has prepared him for this time This transformational book on leadership was written as a manual to

help leaders be better prepared for the challenges of the times The five principles take the reader on a journey from the battlefield to the landscape of ministry challenges to better understand why a good shepherd must smell like sheep In order for any organization to thrive in uncertain times it will require sheep and shepherds working together to win This book is for the person who is serious about growing leading and winning in these uncertain times Good Shepherds Smell like Sheep is a compelling guide for the challenges of today while empowering leadership to win any battle they may be facing tomorrow

Big Bad Wool Leonie Swann,2025-05-06 In the highly anticipated follow up to the breakout offbeat hit Three Bags Full now a major motion picture The Sheep Detectives an enterprising flock of sheep must get to the bottom of just who or what is leaving a trail of grisly destruction in its wake With one solved mystery under their woolly belts the time has come for the sheep of Glennkill to explore Europe Together with their new shepherdess Rebecca they move into their winter quarters in the shadow of a French chateau But their new home is far from idyllic A number of sheep from a previous flock have disappeared and deer are dying unnatural deaths in the forest The strange goats from the neighboring pasture have a theory a werewolf Could that be real or just a fantasy When a human falls victim it becomes clear that even fantasies can be fatal And the last thing the sheep want is to lose another shepherd With the help of the goats next door they follow the werewolf's trail in a desperate attempt to save both themselves and Rebecca with sheep logic courage and woolpower This clever tense mystery features the ultimate amateur sleuths as they ponder curious human motives attempt to change their fortunes by eating tarot cards and borrow a harebrained scheme from a not so secret spy in an attempt to thwart the beast that's been stalking them
