Essentials Of Technical Communication Second Edition:

The Essentials of Technical Communication Elizabeth Tebeaux, Sam Dragga, 2017-12-15 This text is a clear concise and practical guide to effective technical communication in today's world. Divided into two parts, the book begins with rhetorical principles that help students understand the contexts in which various types of documents will be read and used. The second part explains the major types of technical documents and offers checklists for students to use in preparing these documents.

A Strategic Guide to Technical Communication - Second Edition (Canadian) Heather Graves, Roger Graves, 2011-12-20 A Strategic Guide to Technical Communication incorporates useful and specific strategies for writers to create aesthetically appealing and usable technical documentation. These strategies have been developed and tested on a thousand students from a number of different disciplines over twelve years and three institutions. The second edition adds a chapter on business communication, reworks the discussion on technical style, and expands the information on visual communication and ethics into free-standing chapters. Particular attention is paid throughout to the needs of Canadian students.

A Strategic Guide to Technical Communication - Second Edition (US) Heather Graves, Roger Graves, 2012-05-23 A Strategic Guide to Technical Communication incorporates useful and specific strategies for writers to enable them to create aesthetically appealing and usable technical documentation. These strategies have been developed and tested on a thousand students from a number of different disciplines over twelve years and three institutions. The second edition adds a chapter on business communication, reworks the discussion on technical style, and expands the information on visual communication and ethics into free-standing chapters. The text is accompanied by a passcode-protected website containing materials for instructors: PowerPoint lectures, lesson plans, sample student work, and helpful links.
