Experience Human Development Papalia 12th Edition:

Experience Human Development Diane Papalia, Ruth Feldman, 2011-10-04 Experience Human Development 12e allows you to Experience a program that connects students to the real world Our Milestones video program allows students to witness real life as it unfolds via a customizable assignable and assessable platform Additionally our new Research in Action feature highlights interesting and timely topics Experience the diversity of the human experience The 12th edition of this classic best seller retains the extensive and integrated cross cultural and multicultural coverage as previous editions Experience a program that helps students navigate the vast amount of material in the course Now with Connect Lifespan Papalia 12e allows students to connect with real life and the real world Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective

Experience Human Development Diane E. Papalia, Gabriela Martorell, 2023 preface Experience Human Development helps students experience the human side of development by exposing them to culture and diversity immersing them in practical application and helping them study smarter through personalized learning and reporting Experience Human Development takes a practical approach to research and recognizes that just as people develop in their own way your students also learn in their own ways With our adaptive personalized learning program LearnSmart students are guided toward success on their terms With integrated resources like Milestones of Child Development Milestones Transitions and short author tutorials on some of the most challenging learning objectives Experience Human Development makes a difference for your students Better Data Smarter Revision Improved Results Here's how it used to be The revision process for a new edition typically began with asking several dozen instructors what they would change and what they would keep Also experts in the field were asked to provide comments that point out new material to add and dated material to remove Using all these reviews authors would revise the material But now a new tool has revolutionized that paradigm LearnSmart a tool powered by McGraw Hill Connect Lifespan Development is the adaptive learning system that provides students with an individualized assessment of their own progress McGraw Hill authors have access to real student data from this tool to create their revisions
