Research centre in the Institute of Education at the University of Cumbria *Schools Council Working Paper* Schools Council (Great Britain),1969 **Mathematics Versus the National Curriculum** Paul Dowling,Richard Noss,1990 The introduction of the National Curriculum has imposed restraints on the way subjects are taught This book argues that in the case of mathematics the limitations have effectively robbed the subject of its true meaning and identity *Books and Reading Development* Jennie Ingham,1982 **Young Children's Literacy Development and the Role of Televisual Texts** Naima Browne,2005-06-22 In response to the government's focus on improving numeracy and literacy in primary schools this book explores the ways in which very young children's developing literacy can be helped by watching TV and videos *NFER News* ,2003 **The School Effect** David John Smith,Sally Tomlinson,1989 *Register of Educational Research in the United Kingdom* ,1995 The Times Index ,2000 Indexes the Times and its supplements *Technical Education and Training in the United Kingdom: Research in Progress, 1962-64* J. Heywood,R. Ann Abel,1965 *Technical Education and Training in the United Kingdom* John Heywood,1964 The Datafication of Primary and Early Years Education Alice Bradbury,Guy Roberts-Holmes,2017-10-02 The Datafication of Primary and Early Years Education explores and critically analyses the growing dominance of data in schools and early childhood education settings Recognising the shift in practice and priorities towards the production and analysis of attainment data that are compared locally nationally and internationally this important book explores the role and impact of digital data in the data obsessed school Through insightful case studies the book critiques policy priorities which facilitate and demand the use of attainment data within a neoliberal education system which is already heavily focused on assessment and accountability Using an approach influenced by policy sociology and post foundational frameworks the book considers how data are productive of data driven teacher and child subjectivities The text explores how data have become an important part of making teachers work visible within systems which are both disciplinary and controlling while often reducing the complexity of children's learning to single numbers Key ideas covered include The impact of data on the individual teacher and their pedagogical practice particularly in play based early years classrooms The problems of collecting data through assessment of young children How schools respond to increased pressure to produce the right data or how they play with numbers How data affect children and teachers identities International governance and data comparison including international comparison of young children's attainment Private sector involvement in data processing and analysis The Datafication of Primary and Early Years Education offers a unique insight into the links between data policy and practice and is a crucial read for all interested in the ways in which data are affecting teachers practitioners and children **Annual Report** National Foundation for Educational Research in England and Wales,2004 Tests in Print III Buros Institute of Mental Measurements,1983 Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume To place your standing order please call 800 755 1105 in the U S or 402 472 3581 outside the U S Designed to complement the

Mental Measurements Yearbooks Tests in Print fills a pressing need for a comprehensive bibliography of all tests in print. Although these volumes are useful in and of themselves their maximum usefulness requires the availability and use of the Mental Measurements Yearbooks. Although information on available tests and specific test bibliographies is valuable the greatest service which Tests in Print can perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews, the excerpted test reviews from journals and the professional literature on the construction, use and validity of the tests being considered. *Occasional Publication*, 1965
