Creating Reading Instruction for All Children Thomas G. Gunning, 1996 This book will not tell you how to teach reading Teaching reading is in large measure a matter of making choices Should you use basal readers or children s books or both Should you teach children to read whole words or to sound out words letter by letter or both Should you have three reading groups or four or no groups There are no right answers to these questions The answers depend on your personal philosophy your interpretation of the research the level at which you are teaching the kinds of students you are teaching community preferences and the nature of your school or school district s reading program The Literate Kindergarten Susan L. Kempton, 2007 This very important book reaffirms the beauty and uniqueness of children s developing minds and the power that is unleashed when their imaginations are nurtured Susan Zimmermann Kindergarten has changed and not necessarily

for the better Once a joyful time when children grow into school gradually today it often resembles a watered down first grade where academic pressures squelch creativity and play The Literate Kindergarten shows how carefully balancing academics with song movement talk and play creates an environment where every child can grow and learn Sue Kempton is a master teacher and in The Literate Kindergarten she shares the thinking the structures even the precise language she uses to help young children become motivated engaged and joyful learners Kempton guides you through the three domains of learning on which she bases her lessons and actions the cognitive creative and emotional With this framework in mind Kempton offers clues to interpreting children s talk and body language so that you know which domain they are engaged in as well as specific questions and phrases that draw out their thinking and make learning visible From there The Literate Kindergarten offers effective suggestions for establishing routines and creating cooperation developing oral language modeling the language of thinking teaching across content areas supporting students as they become socialized to school recognizing the vital importance of integrating music movement and play familiarizing children with concepts of print comprehension strategies and other important literacy habits Discover thoughtful ways to create a safe nurturing predictable learning space for children where their thoughts and feelings are encouraged Read The Literate Kindergarten and discover a comprehensive resource that can bring joy and serious learning to your classroom
