Learn how to play with the Spanish game model of Expansion Football Positional Attacking Developing an Effective Attacking Tactical Game Methodologies to Use in Training Teamwork and Collaboration **Expansive Football. a Game Model**  
Patrick King,2018-07-26 This Game Model is intended for coaches of all levels who are looking to coach an attractive and courageous style of football that is based upon Positional Play or Juego de Posicion It is logically structured to allow coaches to gain understanding of concepts before they coach them and to learn how the principles of Positional Play are applied to virtually every facet of the game Many coaches have great ideas on how the game should look but struggle to compile them into a logical flowing document that they can refer to as and when they need it This book endeavors to show the coach how to analyse the game as a whole and take this understanding and apply it to his own team Positional Play will help the coach understand how these principles can be used to dominate the game from a positional standpoint and make excellent use of the ball when in possession Precisely and succinctly written this book is accompanied by lots of simple and easy to understand diagrams that bring the book to life making it a great resource for the classroom and field The author is a life long and dedicated student of the game Patrick King coaches in America and has worked with a wide variety of clubs such as New York Red Bulls and Bayern Munich affiliates He has a Master s of Science Degree in Football Coaching as well a Uefa B coaching license He expects to have completed his Conmebol Pro License with the Argentine Football Association in the near future **Gerrard's Blueprint** Adam Thornton,2022-08-15 Gerrard s Blueprint provides an in depth analysis of Rangers tactical evolution over three years under Steven Gerrard culminating in a league title win that saw them crowned kings of Scotland for the 55th time In May 2018 Rangers appointed Liverpool legend Gerrard as the 16th permanent manager in the club s long history A megastar player but untested as a coach many wondered how Gerrard would fare at a club like Rangers especially in light of the team s struggles in the past six seasons Fast forward to 7 March 2021 and Gerrard s Rangers clinched the club s 55th title in record time staying unbeaten in all 32 league games to that point This book delves into the tactical approach used by Gerrard and his coaching team and shines a light on the key principles of their footballing philosophy Adam Thornton picks out key games and players that have shaped the tactical evolution of the side and helped them become title winners **Book 2: Futuristic Rugby League** Bert Holcroft,2014-01-21 The Holcroft saga a rugby story the like of which may never have been equalled in the history of the game It begins over a century ago when Mr George Holcroft was given charge of Leigh St Peters R L F C in 1889 He married and when his family grew up Jack Harry William and Tom all played for local teams They married and George s grandsons Bert and Bill also played Bert Holcroft has been a distinguished servant for the game of Rugby all his life He holds coaching certificates from BOTH the Australian and British governing bodies one of only a handful of men to achieve such an honour in the game s history For 20 odd years Bert

Holcroft has had one of the unlikeliest jobs in sport teaching Australian Rugby Coaches how to coach. Considering the Australian dominance of World Rugby in recent years that might seem a par with taking coal to Newcastle. But make no mistake Bert Holcroft has done as much as anyone to ensure Australia's re-emergence as a major Rugby power. On the face of it Australia wouldn't seem to need any outside help let alone from a Pom. Their record of only one Test defeat since 1978 speaks for itself. But Bert's reputation is nation-wide down under quite simply he's one of the best in the business. Bert who played for Leigh between 1950-60 has spent much of his latter years Down Under lecturing to top grade coaches in New South Wales. Born and bred in Cameron Street Leigh Bert has few peers when it comes to teaching the basics of the 13 a side game. Since emigrating in the late 60s Bert has dedicated his life to coaching and fitness techniques. Teams in Queensland, New South Wales and Sydney have all come under his influence often with spectacular results. Bert's credentials are impeccable. Last summer he achieved the highest accolade in Australia his Grade Three certificate personally signed by the then Australian league chairman Kevin Humphreys and the Director of Coaching Peter Corcoran. Three years earlier Bert has sailed through his Grade One and Two with flying colours. In 1953 he was awarded his senior coaching certificate in England. Bert who held a number of posts at Hilton Park before emigrating to Australia has spent a lot of his time heavily involved with Rugby in the universities there. He became director of coaching for the University of New South Wales and later coach of the Combined Universities side. Coaching Accreditation awarded by the Australian Institute of Sport, Department of Sport and Recreation NSW and the NSW Rugby League for administration as well as being awarded National Coaching Certificates in both Britain and Australia, one of only a handful of people to do so. Eventually the offer of a job in Sydney came to coach Premiership glamorous club Eastern Suburbs.
