over demons and evil spirits **Basic Theology** Dag Heward-Mills,2011 **The Satan, Demons, and Demon**
Possession Series ,1983* *Faith Healers and the Bible* Stephen J. Pullum,2015-04-14 An insightful read for anyone who is
interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective
Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of
followers and raking in millions of dollars annually What faith healers teach however often goes unchallenged Faith Healers
and the Bible What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching
that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe
Drawing on a lifetime of study and nearly two decades of teaching a university course titled The Rhetoric of Faith Healing
Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists
After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of
topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the
health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what
faith healers preach cannot be scripturally supported **The Charismatic Movement** Charles Edwin Jones,1995-04-28
indispensable for all theological libraries and upper division undergraduate and graduate collections generally METHODIST

SPIRITUAL WARFARE: A Struggle for Truth Russell Sharrock,2007-03-01 Much in the Church is being touted as biblical
spiritual warfare even to changing it from being spiritual to be geographical This book critics spiritual warfare teaching
comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare [Christianity in Crisis](#) Hank
Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to
the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in
the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure
teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them

shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas
