## **Of Protection Being A Collection Of Charms 1912:**

The Book of Protection Hermann Gollancz, 2014-03 This Is A New Release Of The Original 1912 Edition     *The Book of Protection* , 2014-03-29 This Is A New Release Of The Original 1912 Edition     **Studies in the Syriac Magical Traditions** Marco Moriggi, Siam Bhayro, 2021-10-25 The study of the Syriac magical traditions has largely been marginalised within Syriac studies with the earliest treatments displaying a disparaging attitude towards both the culture and its magical practices Despite significant progress in more recent scholarship in respect of the culture its magical practices and their associated literatures remain on the margins of the scholarly imagination This volume aims to open a discussion on the history of the field to evaluate how things have progressed and to suggest a fruitful way forward In doing so this volume demonstrates the incredible riches contained within the Syriac magical traditions and the necessity of their study

**Subject Index of Modern Books Acquired** British Library, 1918     *Imitating Abraham* , 2025-03-27 *Imitating Abraham* provides exciting glimpses into the reception history of the character Abraham in Judaism Christianity and Islam illuminating the manifold ways in which interpreters draw upon his legacy to authorize practices like sacrifice circumcision hospitality feasting prayer and personal and corporate piety Abraham holds surprises his name is used in magical amulets some published here for the first time to ward off demons protect cattle from illness and even to round up runaway slaves Researchers students and all interested in Biblical Jewish Christian and Islamic Studies as well as ritual and exemplarity will want to read this book     Jesus the Magician Smith, Morton, 2014-08-27 A twentieth century classic uncannily smart incredibly learned from the foreword by Bart Ehrman This book challenges traditional Christian teaching about Jesus While his followers may have seen him as a man from heaven preaching the good news and working miracles Smith asserts that the truth about Jesus is more interesting and rather unsettling The real Jesus only barely glimpsed because of a campaign of disinformation obfuscation and censorship by religious authorities was not Jesus the Son of God In actuality he was Jesus the Magician Smith marshals all the available evidence including but not limited to the Gospels He succeeds in describing just what was said of Jesus by outsiders those who did not believe him He deals in fascinating detail with the inevitable questions What was the nature of magic What did people at that time mean by the term magician Who were the other magicians and how did their magic compare with Jesus works What facts led to the general assumption that Jesus practiced magic And most important was that assumption correct The ramifications of Jesus the Magician give new meaning to the word controversial This book recovers a vision of Jesus that two thousand years of suppression and polemic could not erase And what may be the central point of the debate Jesus the Magician strips away the myths and legends that have obscured Jesus the man who lived

**Hebrew Union College Annual Vol. 94 (2023)** Jason Kalman, 2024-06-30 The Hebrew Union College Annual is a peer reviewed journal that publishes scholarly treatments of all aspects of Jewish and Cognate Studies in all eras from antiquity to the contemporary world     ARTIFACT, TEXT, CONTEXT Li Tang, Dietmar W. Winkler, 2020-01-01 This volume is a collection

of papers highlighting recent researches on Syriac Christianity in China and Central Asia. The topics range from artifacts to texts and their historical contexts covering the period from the 7th to the 18th century. As the studies on Syriac Christianity in China and Central advance, focus has shifted from a general historical survey and textual translation to a more micro and meticulous study of specific concepts and terms and particular names of persons and places.

**Aspects of Death and Correlated Aspects of Life in Art, Epigram, and Poetry** Frederick Parkes Weber, 1922 *From the Oxus River to the Chinese Shores* Li Tang, Dietmar W. Winkler, 2013. Syriac Christianity spread along the Silk Road together with Aramaic culture and liturgy. Because of this the staging posts of Christian merchants along the trade routes grew into missionary centers. Thus the mission of the Church of the East stretched from Persia to Arabia and India and from the Oxus River to the Chinese shores. This book contains a collection of studies on the Church of the East in its historical setting. It sheds new light on this subject from various perspectives and academic disciplines providing fresh insights into the rich heritage of Syriac Christianity. Series *orientalia patristica oecumenica* Vol 5 *Catalogue* Bernard Quaritch (Firm), 1913 The English Catalogue of Books ...: 1801-1836. Ed. and comp. by R.A. Peddie and Q. Waddington. 1914, 1913 **Reference Catalogue of Current Literature**, 1924 **Luzac's Oriental List and Book Review**, 1913 ARAM Periodical, 1993 **The Librarian and Book World**, 1913 General Catalogue Oxford University Press, 1916 Selected Papers 01 Romanesque Art Meyer Schapiro, 1977. This long-awaited volume which includes much valuable material on Romanesque Art that has been unavailable for many years will be of interest not only to students of the history of art or of medieval history and culture in general but also to all readers concerned with the broadest problems of aesthetics, the history of ideas and the sociology of art and religion. The first in a four-volume series of Meyer Schapiro's Selected Papers, future volumes will range from Modern Art to Early Christian and Byzantine art forms and will include papers on the Theory and Philosophy of Art. This publication embodies a number of Professor Schapiro's seminal studies of Romanesque sculptures together with articles on manuscript art linked to those sculptures. Of particular relevance is the richly illustrated study of the sculptures of the cloister and portal in the French abbey of Moissac which was one of the first approaches to those master works from an artistic point of view. This classic analysis is complemented by a consideration of Mozarabic and Romanesque styles in manuscript paintings and some sculptures from the Castilian abbey of Silos, a study of artistic innovation as an historical process in the context of changes in religious, social and political life. Still another chapter treats the aesthetic response of individuals during the eleventh and twelfth centuries to Romanesque Art through a series of translated texts of that period which have an extraordinarily modern flavor. These papers are wide-ranging studies of many aspects of Romanesque Art: the forms, the expressive character, the content, the social roots, the historical moment and situation, all investigated in a searching but also imaginative way. Artistic structures are approached with the same objectivity as the documents and the archaeological data. With that graceful scholarship for which he is justly honored and admired, the author applies evidence from literature

religious texts folklore social and political history epigraphy and paleography in reconstructing and interpreting the contents of the works of art **The Bookseller**, 1913 Majnūn Michael Walters Dols, 1992 This is a study of madness in the medieval Islamic world Using a wide variety of sources historical literary and art the late Michael Dols explores beliefs about madness in Islamic society and examines attitudes towards individuals afflicted by mental illness or disability The book demonstrates the links between Christian and Muslim medical beliefs and practices and traces the influence of certain Christian beliefs such as miracle working on Islamic practices It breaks new ground in analyzing the notions of the romantic fool the wise fool and the holy fool in medieval Islam within the framework of perceptions of mental illness It shows that the madman was not regarded as a pariah an outcast or a scapegoat This is a comprehensive and original work with insights into magic medicine and religion that combine to broaden our understanding of medieval Islamic society

## Unveiling the Power of Verbal Art: An Psychological Sojourn through **Of Protection Being A Collection Of Charms 1912**

In a global inundated with screens and the cacophony of instant connection, the profound energy and psychological resonance of verbal beauty often disappear into obscurity, eclipsed by the constant barrage of noise and distractions. However, set within the lyrical pages of **Of Protection Being A Collection Of Charms 1912**, a fascinating function of literary splendor that pulses with fresh emotions, lies an memorable trip waiting to be embarked upon. Written by a virtuoso wordsmith, this mesmerizing opus manuals visitors on a mental odyssey, gently revealing the latent possible and profound affect stuck within the delicate internet of language. Within the heart-wrenching expanse of this evocative analysis, we can embark upon an introspective exploration of the book is key subjects, dissect its interesting publishing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
