

Manhattan Transfer

RM Cervero

Manhattan Transfer:

Manhattan Transfer John Dos Passos, 1925 *Manhattan Transfer* is an American novel by John Dos Passos published in 1925. It focuses on the development of urban life in New York City from the Gilded Age to the Jazz Age as told through a series of overlapping individual stories. It is considered to be one of Dos Passos' most important works. *Manhattan Transfer* John Dos Passos, 2003-09-02. Considered by many to be John Dos Passos's greatest work, *Manhattan Transfer* is an expressionistic picture of New York City in the 1920s that reveals the lives of wealthy power brokers and struggling immigrants alike. From Fourteenth Street to the Bowery, Delmonico's to the underbelly of the city waterfront, Dos Passos chronicles the lives of characters struggling to become a part of modernity before they are destroyed by it. A novel of the very first importance, Sinclair Lewis' *Manhattan Transfer* is a masterpiece of modern fiction and a lasting tribute to the dual-edged nature of the American dream. **Annual Report** New Jersey. State Board of Assessors, 1913. *Annual Report* New Jersey. State Board of Taxes and Assessment, 1918. *Manhattan Transfer* John E. Stith, 1994. Aliens remove *Manhattan* encased in an artificial bubble to another world along with cities from other extraterrestrial civilizations. Reprint. *Annual Report of the State Board of Taxes and Assessment* New Jersey. State Board of Taxes and Assessment, 1922. **Annual Report** New Jersey. State Board of Taxes and Assessment, 1932. **Report** New Jersey. State Board of Taxes and Assessment, 1924. **Annual Report of the State Board of Assessors of the State of New Jersey** New Jersey. State Board of Assessors, 1915. *Manhattan Transfer* John Dos Passos, 1980. First published in 1925, this is a many-faceted chronicle of New York City in the early 1920s of the people who built it and the people who were destroyed by it. **Great War Modernism** Nanette Norris, 2015-12-16. *New Modernist Studies* while reviving and revitalizing modernist studies through lively scholarly debate about historicity, aesthetics, politics, and genres, is struggling with important questions concerning the delineation that makes discussion fruitful and possible. This volume aims to explore and clarify the position of the so-called core of literary modernism in its seminal engagement with the Great War. In studying the years of the Great War, we find ourselves once more studying the giants about whom there is so much more to say, as well as adding hitherto marginalized writers and a few visual artists to the canon. The contention here is that these war years were seminal to the development of a distinguishable literary practice which is called modernism but perhaps could be further delineated as Great War modernism, a practice whose aesthetic merits can be addressed through formal analysis. This collection of essays offers new insight into canonical British, American, European modernism of the Great War period using the critical tools of contemporary expansionist modernist studies. By focusing on war and on the experience of the soldier and of those dealing with issues of war and survival, these studies link the unique forms of expression found in modernism with the fragmented, violent, and traumatic experience of the time. *Documents of the ... Legislature of the State of New Jersey*, 1913.
