Before ... Nathan Gregory, 2018-03-19 The Cloud It sounds fluffy and soft Amorphous remote floating above the world Run it in the Cloud we say A modern metaphor but we once had another name a more descriptive name for using someone else's computer We called it timesharing Today we mix the idea of using distant computers and the idea of communicating via a network and call the combination The Cloud imagining we have invented something new But it isn't so new after all Beginning in the 1960s a company created a successful business making remote computer services available inexpensively to anyone via a network built for that purpose In doing so they created the first cloud Companies offered online resources from banking to research email to instant messaging and the ability to run applications on powerful remote computers and access them from anywhere They called it Tymnet and the company was Tymshare **United States of Jihad** Peter Bergen, 2017-02-07 A riveting panoramic look at homegrown Islamist terrorism from 9/11 to the present Since 9/11 more than three hundred Americans born and raised in Minnesota Alabama New Jersey and elsewhere have been indicted or convicted of terrorism charges Some have taken the fight abroad an American was among those who planned the attacks in Mumbai and more than eighty U.S. citizens have been charged with ISIS related crimes Others have acted on American soil as with the attacks at Fort Hood the Boston Marathon and in San Bernardino What motivates them how are they trained and what do we sacrifice in our efforts to track them Paced like a detective story **United States of Jihad** tells the entwined stories of the key actors on the American front Among the perpetrators are Anwar al Awlaki the New Mexico born radical cleric who became the first American citizen killed by a CIA drone and who mentored the Charlie Hebdo shooters Samir Khan whose Inspire webzine has rallied terrorists around the world including the Tsarnaev brothers and Omar Hammami an Alabama native and hip hop fan who became a fixture in al Shabaab's propaganda videos until fatally displeasing his superiors Drawing on his extensive network of intelligence contacts from the National Counterterrorism Center and the FBI to the NYPD Peter Bergen also offers an inside look at the controversial tactics of the agencies tracking potential terrorists from infiltrating mosques to massive surveillance at the bias experienced by innocent observant Muslims at the hands of law enforcement at the critics and defenders of U.S. policies on terrorism and at how social media has revolutionized terrorism Lucid and rigorously researched **United States of Jihad** is an essential new analysis of the Americans who have embraced militant Islam both here and abroad Washington Post Notable Non Fiction Books in 2016 **Like Birds in a Cage** David M. Crump, 2021-10-28 When Christians collude in crimes against humanity they betray their citizenship in the kingdom of God demonstrating that Christ's Lordship does not rule over every area of their lives The popular ideology known as Christian Zionism is a prime enabler of such widespread discipleship failure in western Christianity As the state of Israel continues to violate international law with colonial settlement in lands captured by warfare legalized racial discrimination and the creation of what many have called the world's largest open air prison in Gaza Christian Zionists continue their unqualified support for Zionist Israel Though Israel advertises itself as the only democracy in the Middle East it is actually a rigid

ethnocracy its entire society built on the foundations of Jewish supremacy over a Palestinian underclass History will eventually judge Christian Zionist support for Israel s crimes against the Palestinians in the same way people of conscience now condemn the Christian church in the American South for its defense of slavery and hostility towards the civil rights movement Just as the Southern Baptist church finally repudiated its pro slavery past so everyone genuinely devoted to Jesus Christ must repudiate both the ideology and the legacy of Christian Zionism

One Night with Him K. S. Smith, 2013-11-04 [One Night](#) Stephanie Farrant, 2020-06-30

Just one night. That's what I told myself. One night of madness before I start my new career far away from my interfering, overprotective brother and cheating jerk of an ex-boyfriend. Having a one-night stand hadn't been part of my plan, but what a one-night stand it was. I mean, best I've ever had, and by that I mean totally mind-blowing. Who'd have believed I would bump into him several weeks later? Yes, my one-night stand has a name: Kyle. Brendan, and he just happens to be my new boss. If that wasn't bad enough, he is right in my eye line, eight hours a day, looking handsome in his three-piece suits, hiding what I know is a sinfully delicious body underneath. I promised myself our tryst would be for just one night, but now that I see him every day, I'm starting to wonder: will one night be enough?

New Sexy Standalone from New York Times Bestselling Author Helen Cooper and JS Cooper. It was only supposed to be one night. We met at a wedding. He was hot. And I'd been in a year's drought. He smiled. We got drunk. We flirted. We hooked up. I left early the next morning without saying goodbye. It was only meant to be a one-night stand. I didn't want the awkward morning-after moment. Not at all. Then I went home for the weekend. And he was there. Sitting on the couch, chatting to my dad. Turns out he was more than just a stranger. Turns out that my one-night stand was about to cause a whole heap of trouble. Turns out that it never just stops with one night.
