**The Effects of Trauma** Jim Banks,2011-03 The following book describes a prayer tool that I stumbled across in late 2009 by putting pieces of the teachings of three of God s faithful servants together and adding a couple of others steps The power of it to virtually eliminate many of the symptoms that victims of trauma complain of has proven to be nothing short of miraculous Over the last 25 years of praying for physical and emotional healing I have prayed numerous prayers that at least in my estimation availed little But the last 400 or 500 folks or so that I have ministered this over have experienced relief that has been both instantaneous and up to this point permanent I am also happy to report that the recipients have experienced some significant results after having been prayed over in groups of 25 to 175 persons
