#### For your reference page:

- Every source you have an in-text citation for should also be listed on the reference page.
- If there is more than one author, do not change the order in which the authors' names are listed in the source.
- Put the references in alphabetical order using the last name of the first author listed or by the organization name if the organization is the author.
- Use a hanging indent so that author's name is further left than the rest of the citation.
-  In MS Word click the line and spacing icon then choose hanging indent

#### For your whole document: from the Line and Paragraph spacing icon

- Set the alignment to "Left" not justified.
- Select double spacing
- Set the spacing Before and After a paragraph to 0 pt.

Edition the third edition of *The Nuts and Bolt of College Writing* offers essential guidance for college writers at all levels. Praise for previous editions: This wonderful little book has helped improve the level of writing in all the courses I teach. No one should graduate from college without having used it. Gonzalo Munevar, Lawrence Technological University. With concision and wit, Harvey shows college students how to write papers that are clear, cogent, and also stylish. James Miller, editor. D. Dalus. Simply the best guide to clear and effective writing since Strunk and White. Indispensable for students and for their teachers. Terry Nardin, University of Wisconsin Milwaukee.

*Research Strategies: Finding Your Way Through the Information Fog*  
William Badke, 2021-03-02. Everyone does research. Some just do it better than others. In this chaotic world of information and misinformation, referred to as information fog, university students in particular need to learn how to conduct research effectively. Good research is about a quest to discover more about a burning desire to solve society's problems and make a better world. Ultimately, research is a way forward to a resolution of life's greatest difficulties. In this seventh edition of *Research Strategies: Finding Your Way through the Information Fog*, author William Badke walks you step by step through the entire research process, from choosing a topic to writing the final project and everything in between. A seasoned researcher and educator, Badke offers tried and true tips, tricks, and strategies to help you identify a problem, acquire pertinent information, and use that information to address the problem. Employing a host of examples and humor, *Research Strategies: Finding Your Way through the Information Fog* shows how research can be exciting and fun. **APA 7th + MLA 9th Quick Study Guidelines in Tables for Class (in Color)**, 2021. **War Psychiatry**, Franklin D. Jones, 1995. This volume of the *Textbook of Military Medicine* addresses the delivery of mental health services during wartime. The foreseeable future of the U.S. military includes the potential for involvement in a variety of conflicts, ranging from peacekeeping missions to massive deployments of personnel and materiel, and possible nuclear, biological, and chemical threats, as was seen in the Persian Gulf War. The medical role in wartime is critical to success of the mission. For the mental health disciplines, this role encompasses identification and elimination of unfit personnel, improvement of marginal personnel to standards of acceptability, prevention of psychiatric casualties, and their treatment when prevention fails. All of these efforts must be guided by past experience and sound principles of human behavior.

**The Scott, Foresman Handbook for Writers**  
Maxine Hairston, John J. Ruskiewicz, Christy Friend, 2002. The *Scott Foresman Handbook for Writers* 6e continues its tradition of innovation with ground-breaking coverage of grading, service learning, document design, and research. Already the most imitated book in its field, SFH 6e becomes the first handbook to offer a full chapter on Evaluating Writing, covering both traditional and portfolio systems of grading. The new chapter answers many of the questions about grading principles, criteria, and procedures that instructors face every term. There's more too in this edition about the kinds of writing more and more

college writers are doing in their professional and civic lives or in service learning courses Already a leader in technology SFH now expands its first ever treatment of document design into a fully illustrated section that explains document design as a process like writing itself There s a thorough new chapter with full coverage of Writing for the Web and a portfolio chapter of four color model documents Coverage of research continues to set the standard for college projects with new material on designing research projects evaluating sources and working with online materials helpful online materials to enhance their thinking and research But the edition has not neglected more traditional elements of writing Every chapter has been reworked to enhance clarity and to polish the notably friendly style of SFH No handbook addresses writers more cordially or helpfully A new cleaner design makes all materials more accessible and frequent photos and images make the entire package more student friendly
