

The background of the cover is an abstract, artistic representation of a network or data flow. It features a dense field of glowing, golden-yellow and white particles of various sizes, some appearing as bright spheres and others as smaller specks. These particles are interconnected by thin, dark lines that create a complex web-like structure. The overall color palette is dominated by warm tones of gold, orange, and red, transitioning into a deep blue at the bottom. The lighting is soft and ethereal, giving the impression of a digital or biological system in motion.
