

CHAPTER THREE: Drill and turnout

Lesson
100

Turnout - Care and cleaning of uniform

- All cadets are issued with full uniform which includes everything except boots.
- The uniform is the same as the British Army wears and is known as HTP-PCS.
- HTP = Multi Terrain Pattern - This is the camouflage pattern on clothing.
- PCS = Personal Clothing System - This is the name of the clothing system.

- HTP-PCS Combat jacket - worn for fieldcraft, shooting and as a warm top layer

"Shaping a beret involves dunking the new beret into warm and then cold water repeatedly until thoroughly soaked (avoid getting the leather band wet). It is then placed on the head and pulled over to the right side to create the correct shape. This should then be left to dry naturally before wearing.
