Pestilence's Cure Raisa Greywood,2022-07-08 A broken woman An old fashioned man The love of a lifetime if he isn't too stubborn to accept it Discovering a bruised and battered cult refugee in the lobby of his club isn't exactly how Ryan Wood expects to find the woman of his dreams Carrie is everything Ryan has always wanted sweet submissive eager to please She's also way too young for him and even though the stories from her childhood make his skin crawl she's still far too sheltered and innocent for a man like him A man who demands complete obedience and who won't hesitate to mete out discipline as he sees fit But there's a spine of steel hidden beneath Carrie's wounds and she isn't backing down from what she wants without a fight When she makes a shocking public claim Ryan's refusal to bend doesn't just threaten their happily ever after it threatens the very existence of Club Apocalypse itself

Pestilence Laura Thalassa,2023-08-15 They came to earth Pestilence War Famine Death four horsemen riding their screaming steeds racing to the corners of the world Four horsemen with the power to destroy all of humanity They came to earth and they came to end us all When Pestilence the first of the horsemen comes for Sara Burn's town one thing is certain everyone she knows and loves is marked for death Unless of course the angelic looking horseman is stopped which is exactly what Sara has in mind when she shoots the unholy beast off his steed Too bad no one told her Pestilence can't be killed Alive and furious the horseman takes Sara prisoner determined to make her suffer for impeding his mission Despite her pleas nothing and no one gets in the way of his orders to destroy humankind Only the longer Pestilence spends beside Sara's bravery and compassion the more he seems to understand her and understand humanity And the longer Sara travels with Pestilence and his plague the more uncertain she grows about his true feelings toward her and hers toward him Sara might still be able to save the world but she'll have to sacrifice her heart in the process
