America's Dark Theologian Douglas E. Cowan, 2018-06-12 Illuminating the religious and existential themes in Stephen King's horror stories Who are we Why are we here Where do we go when we die For answers to these questions people often look to religion But religion is not the only place seekers turn Myths legends and other stories have given us alternative ways to address the fundamental quandaries of existence Horror stories in particular with their focus on questions of violence and mortality speak urgently to the primal fears embedded in such existential mysteries With more than fifty novels to his name and hundreds of millions of copies sold few writers have spent more time contemplating those fears than Stephen King Yet despite being one of the most widely read authors of all time King is woefully understudied America's Dark Theologian is the first in depth investigation into how King treats religion in his horror fiction Considering works such as Carrie The Dead Zone Misery The Shining and many more Douglas Cowan explores the religious imagery themes characters and most importantly questions that haunt Stephen King's horror stories Religion and its trappings are found throughout King's fiction but what Cowan reveals is a writer skeptical of the certainty of religious belief Describing himself as a fallen away Methodist King is less concerned with providing answers to our questions than constantly challenging both those who claim to have answers and the answers they proclaim Whether he is pondering the existence of other worlds exploring the origins of religious belief and how it is passed on probing the nature of the religious

Collings,1987 **Pet Sematary Mov** ,1989-05-12 **Pet Sematary** Shellie McMurdo,2023-02-16 Most scholarship on Mary Lambert's *Pet Sematary* 1989 overarchingly focuses on the Stephen King novel 1983 and tends strongly towards housing the story within the Gothic literary tradition The film itself is often absent from considerations of North American horror cinema of the 1980s and from wider horror scholarship in general This *Devil's Advocate* stands as a corrective and provides a holistic analysis textual contextual and industrial of the film in order to properly situate it as an important entry into the history of horror cinema This book joins a growing body of works both journalistic and academic that aim to revisit older films in order to call attention to and or redress the gendered imbalance in our written horror histories McMurdo charges *Pet Sematary* with several contributions to the horror genre as an important entry within the tradition of grief horror as a horror film that both adheres to and defies the generic conventions of its historical context one both engaged with and respondent to its time of creation as a film that changed the fortunes of the

cinematic Stephen King brand on the cusp of a new decade *Pet Sematary* is the highest grossing horror film directed by a woman in cinematic history and it stands as a story that we keep returning to as seen by the 1992 sequel the 2019 remake and a forthcoming prequel *Pet Sematary*'s modern relevance and importance to genre history then is manifold and this book argues it is past time for its reconsideration as a classic of horror cinema **New York**, 1992 *Pet Sematary* Pedro Alizo, 2020-06-23 Storyline Louis Creed his wife Rachel and their two children Gage and Ellie move to a rural home where they are welcomed and enlightened about the eerie *Pet Sematary* located nearby After the tragedy of their cat being killed by a truck Louis resorts to burying it in the mysterious pet cemetery which is definitely not as it seems as it proves to the Creeds that sometimes dead is better **Pet Sematary Unauthorized Quiz Book: Mini Horror Quiz Collection #4** Killian H.
